# With A Little Help From My Friends

What would you think if I sang out of tune,  
Would you stand up and walk out on me?  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key.

*Oh, I get by with a little help from my friends*  
*Mm, I get high with a little help from my friends*  
*Mm, gonna try with a little help from my friends*

What do I do when my love is away  
Does it worry you to be alone?  
How do I feel by the end of the day,  
Are you sad because you're on your own?

*No, I get by with a little help from my friends*  
*Mm, I get high with a little help from my friends*  
*Mm, gonna try with a little help from my friends*

Do you need anybody  
I need somebody to love  
Could it be anybody  
I want somebody to love.

Would you believe in a love at first sight  
Yes, I'm certain that it happens all the time  
What do you see when you turn out the light  
I can't tell you but I know it's mine,

*Oh, I get by with a little help from my friends*  
*Mm, I get high with a little help from my friends*  
*Mm, gonna try with a little help from my friends*

Do you need anybody  
I just need someone to love  
Could it be anybody  
I want somebody to love.

*Oh, I get by with a little help from my friends*  
*Mm, I get high with a little help from my friends*  
*Mm, gonna try with a little help from my friends*

*Oh, I get by with a little help from my friends*  
*With a little help from my friends*

# Delilah

I saw the light on the night that I passed by her window  
I saw the flickering shadows of love on her blind  
She was my woman  
As she deceived me I watched and went out of my mind

*My, my, my, Delilah*  
*Why, why, why, Delilah*  
*I could see that girl was no good for me*  
*But I was lost like a slave that no man could free*

At break of day when that man drove away, I was waiting  
I cross the street to her house and she opened the door  
She stood there laughing  
I felt the knife in my hand and she laughed no more

*My, my, my Delilah*  
*Why, why, why Delilah*  
*So before they come to break down the door*  
*Forgive me Delilah I just couldn't take any more*

Instrumental  
She stood there laughing  
I felt the knife in my hand and she laughed no more

*My, my, my, Delilah*  
*Why, why, why, Delilah*  
*So before they come to break down the door*  
*Forgive me Delilah I just couldn't take any more*  
*Forgive me Delilah I just couldn't take any more*

# Money Money Money

I work all night, I work all day, to pay the bills I have to pay,  
Ain't it sad

And still there never seems to be a single penny left for me, That's too bad

In my dreams I have a plan if I got me a wealthy man  
I wouldn't have to work at all, I'd fool around and have a ball...

*Money, money, money, must be funny*

*In the rich man's world*

*Money, money, money always sunny*

*In the rich man's world*

*Aha-ahaaa*

*All the things I could do*

*If I had a little money it's a rich man's world*

A man like that is hard to find but I can't get him off my mind, Ain't it sad

And if he happens to be free I bet he wouldn't fancy me,  
That's too bad

So I must leave, I'll have to go to Las Vegas or Monaco  
And win a fortune in a game, my life will never be the same...

**Money, money, money, must be funny**

**In the rich man's world**

**Money, money, money always sunny**

**In the rich man's world**

**Aha-ahaaa**

**All the things I could do**

**If I had a little money it's a rich man's world**

**Money, money, money, must be funny**

**In the rich man's world**

**Money, money, money always sunny**

**In the rich man's world**

**Aha-ahaaa**

**All the things I could do**

**If I had a little money it's a rich man's world**

**It's a rich man's world**

# **Livin' On A Prayer**

Tommy used to work on the docks  
Union's been on strike  
He's down on his luck, it's tough - so tough  
Gina works the diner all day  
Working for her man, she brings home her pay  
For love - for love  
We've got to hold on to what we've got  
'Cause it doesn't make a difference  
If we make it or not  
We've got each other and that's a lot  
For love - we'll give it a shot

Oh, we're half way there, Oh, livin' on a prayer  
Take my hand we'll make it, I swear  
Oh, livin' on a prayer

Tommy got his six string in hock  
Now he's holding in - what he used to make it talk  
So tough - it's tough  
Gina dreams of running away  
When she cries in the night  
Tommy whispers: Baby it's okay - someday  
We've got to hold on to what we've got  
It doesn't make a difference if we make it or not  
We've got each other and that's a lot  
For love - we'll give it a shot

Oh, we're half way there, oh livin' on a prayer  
Take my hand, we'll make it I swear  
Oh, livin' on a prayer  
(Instrumental)

We've got to hold on ready or not  
You live for the fight when it's all that you've got  
*Oh, we're half way there oh, livin' on a prayer*  
*Take my hand and we'll make it - I swear*  
*Oh, livin' on a prayer x2*

# Angels

I sit and wait

Does an angel contemplate my fate

And do they know, the places where we go

When we're grey and old, 'cause I have been told

That salvation lets their wings unfold

So when I'm lying in my bed, thoughts running through my head

And I feel the love is dead

I'm loving angels instead

*And through it all she offers me protection*

*A lot of love and affection whether I'm right or wrong*

*And down the waterfall wherever it may take me*

*I know that life won't break me*

*When I come to call, she won't forsake me*

*I'm loving angels instead*

When I'm feeling weak

And my pain walks down a one way street

I look above and I know I'll always be blessed with love

And as the feeling grows she breathes flesh to my bones

And when love is dead

I'm loving angels instead

*And through it all she offers me protection*

*A lot of love and affection whether I'm right or wrong*

*And down the waterfall wherever it may take me*

*I know that life won't break me*

*When I come to call, she won't forsake me*

*I'm loving angels instead*

(Instrumental)

*And through it all she offers me protection*

*A lot of love and affection whether I'm right or wrong*

*And down the waterfall*

*Wherever it may take me*

*I know that life won't break me*

*When I come to call, she won't forsake me*

*I'm loving angels instead.*

# Daydream Believer

Oh, I could hide 'neath the wings of the bluebird as she sings.  
The six o'clock alarm would never ring.  
But six rings and I rise, wipe the sleep out of my eyes.  
My shavin' razor's cold and it stings.

*Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen.*

You once thought of me as a white knight on a steed.  
Now you know how happy I can be.  
Oh, and our good times starts and end without dollar one to spend.  
But how much, baby, do we really need.

*Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen.*

*Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen.*

(Instrumental)

*Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen.*

*Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen.*

*Cheer up, Sleepy Jean.  
Oh, what can it mean.  
To a daydream believer  
And a homecoming queen.*

# Don't Stop Me Now

Tonight I'm gonna have myself a real good time  
I feel alive, and the world turning inside out yeah!  
And floating around in ecstasy  
So don't stop me now don't stop me  
Cause I'm having a good time having a good time

I'm a shooting star leaping through the sky  
Like a tiger defying the laws of gravity  
I'm a racing car passing by like Lady Godiva  
I'm gonna go, go, go  
There's no stopping me

I'm burning through the sky yeah!  
Two hundred degrees  
That's why they call me Mister Fahrenheit  
I'm traveling at the speed of light  
I wanna make a supersonic man out of you

Don't stop me now I'm having such a good time  
I'm having a ball don't stop me now  
If you wanna have a good time just give me a call  
Don't stop me now  
Don't stop me now  
I don't want to stop at all

I'm a rocket ship on my way to mars  
On a collision course  
I am a satellite I'm out of control  
I am a sex machine ready to reload  
Like an atom bomb about to  
Oh oh oh oh oh explode

I'm burning through the sky yeah!  
Two hundred degrees  
That's why they call me Mister Fahrenheit  
I'm traveling at the speed of light  
I wanna make a supersonic woman out of you

Don't stop me, don't stop me  
Don't stop me, hey hey hey!  
Don't stop me don't stop me ooh ooh ooh  
Don't stop me don't stop me  
Have a good time, good time  
Don't stop me, don't stop me ah

(Instrumental)

I'm burning through the sky yeah!  
Two hundred degrees  
That's why they call me Mister Fahrenheit  
I'm traveling at the speed of light  
I wanna make a supersonic man out of you

Don't stop me now I'm having such a good time  
I'm having a ball don't stop me now  
If you wanna have a good time just give me a call  
Don't stop me now  
Don't stop me now  
I don't want to stop at all.

# I'm A Believer

I thought love was only true in fairy tales  
Meant for someone else but not for me.  
Love was out to get me  
That's the way it seemed.  
Disappointment haunted all my dreams.

*Then I saw her face, now I'm a believer  
Not a trace of doubt in my mind.  
I'm in love, I'm a believer!  
I couldn't leave her if I tried.*

I thought love was more or less a givin' thing,  
Seems the more I gave the less I got.  
What's the use in tryin'?  
All you get is pain.  
When I needed sunshine I got rain.

*Then I saw her face, now I'm a believer  
Not a trace of doubt in my mind.  
I'm in love, I'm a believer!  
I couldn't leave her if I tried.*

(Instrumental)

Love was out to get me  
That's the way it seemed.  
Disappointment haunted all my dreams.

*Then I saw her face, now I'm a believer  
Not a trace of doubt in my mind.  
I'm in love, I'm a believer!  
I couldn't leave her if I tried.*

# Amarillo

When the day is dawning  
On a Texas Sunday morning  
How I long to be there  
With Marie who's waiting for me there  
Every lonely city, where I hang my hat  
Ain't as half as pretty as where my baby's at

*Is this the way to Amarillo*  
*Every night I've been hugging my pillow*  
*Dreaming dreams of Amarillo*  
*And sweet Marie who waits for me*  
*Show me the way to Amarillo*  
*I've been weeping like a willow*  
*Crying over Amarillo*  
*And sweet Marie who waits for me*  
*Sha la la lala lalala*  
*Sha la la lala lalala*  
*Sha la la lala lalala*  
*And Marie who waits for me*

There's a church bell ringing  
Hear the song of joy that it's singing  
For the sweet Maria and the guy who's coming to see her  
Just beyond the highway, there's an open plain  
And it keeps me going through the wind and rain

*Is this the way to Amarillo*  
*Every night I've been hugging my pillow*  
*Dreaming dreams of Amarillo*  
*And sweet Marie who waits for me*  
*Show me the way to Amarillo*  
*I've been weeping like a willow*  
*Crying over Amarillo*  
*And sweet Marie who waits for me*

*Sha la la lala lalala*  
*Sha la la lala lalala*  
*Sha la la lala lalala*  
*And Marie who waits for me x 3*

# Mamma Mia

I've been cheated by you since I don't know when  
So I made up my mind, it must come to an end  
Look at me now, will I ever learn?  
I don't know how but I suddenly lose control  
There's a fire within my soul  
Just one look and I can hear a bell ring  
One more look and I forget everything, o-o-o-oh

Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you  
Yes, I've been brokenhearted  
Blue since the day we parted  
Why, why did I ever let you go?  
Mamma mia, now I really know,  
My my, I could never let you go.

I've been angry and sad about the things that you do  
I can't count all the times that I've told you we're through  
And when you go, when you slam the door  
I think you know that you won't be away too long  
You know that I'm not that strong.  
Just one look and I can hear a bell ring  
One more look and I forget everything, o-o-o-oh

Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you  
Yes, I've been brokenhearted  
Blue since the day we parted  
Why, why did I ever let you go?

Mamma mia, even if I say  
Bye bye, leave me now or never  
Mamma mia, it's a game we play  
Bye bye doesn't mean forever  
Mamma mia, here I go again  
My my, how can I resist you?  
Mamma mia, does it show again?  
My my, just how much I've missed you

Yes, I've been brokenhearted  
Blue since the day we parted  
Why, why did I ever let you go  
Mamma mia, now I really know  
My my, I could never let you go

# Dancing Queen

You can dance, you can jive, having the time of your life  
See that girl, watch that scene, diggin' the dancing queen

Friday night and the lights are low  
Looking out for the place to go  
Where they play the right music, getting in the swing  
You come in to look for a king  
Anybody could be that guy  
Night is young and the music's high  
With a bit of rock music, everything is fine  
You're in the mood for a dance  
And when you get the chance...

You are the dancing queen, young and sweet, only seventeen  
Dancing queen, feel the beat from the tambourine  
You can dance, you can jive, having the time of your life  
See that girl, watch that scene, diggin' the dancing queen

You're a teaser, you turn 'em on  
Leave them burning and then you're gone  
Looking out for another, anyone will do  
You're in the mood for a dance  
And when you get the chance...

You are the dancing queen, young and sweet, only seventeen  
Dancing queen, feel the beat from the tambourine  
You can dance, you can jive, having the time of your life  
See that girl, watch that scene, diggin' the dancing queen.

# Summer Nights

Summer lovin' had me a blast  
Summer lovin' happened so fast  
I met a girl crazy for me, met a boy cute as can be  
Summer days driftin' away, to uh-oh those summer nights  
Uh Well-a well-a well-a huh  
Tell me more, tell me more did you get very far?  
Tell me more, tell me more like does he have a car?  
Uh-huh uh-huh uh-huh uh-huh

She swam by me, she got a cramp  
He ran by me, got my suit damp  
I saved her life, she nearly drowned  
He showed off, splashing around  
Summer sun, something's begun, but uh-oh those summer nights  
Uh well-a well-a well-a huh  
Tell me more, tell me more was it love at first sight?  
Tell me more, tell me more did she put up a fight?  
Uh-huh-uh-huh-uh-huh-uh-huh

Took her bowling in the arcade  
We went strolling, drank lemonade  
We made out a hunk of the time  
We stayed out 'till ten o'clock  
Summer fling, don't mean a thing, but uh-oh those summer nights  
Woah, woah, woah

Tell me more, tell me more but you don't gotta brag  
Tell me more, tell me more cos he sounds like a drag  
Shoo-bop bop, shoo-bop bop, shoo-bop bop, shoo-bop bop,  
shoo-bop bop, shoo-bop bop, shoo-bop bop, YEH

He got friendly, holding my hand  
While she got friendly down in the sand  
He was sweet, just turned eighteen  
Well she was good you know what I mean  
Summer heat, boy and girl meet,  
But uh-oh those summer nights  
Woah, woah, woah  
Tell me more, tell me more how much dough did he spend?  
Tell me more, tell me more could she get me a friend?

It turned colder - that's where it ends  
So I told her we'd still be friends  
Then we made our true love vow  
Wonder what she's doing now  
Summer dreams ripped at the seams,  
Bu-uh oh, those su-ummer nights...  
Tell me more, tell me more!

# Imagine

Imagine there's no heaven

It's easy if you try

No hell below us

Above us only sky

Imagine all the people

Living for today...

Imagine there's no countries

It isn't hard to do

Nothing to kill or die for

And no religion too

Imagine all the people

Living life in peace...

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will be as one

Imagine no possessions

I wonder if you can

No need for greed or hunger

A brotherhood of man

Imagine all the people

Sharing all the world...

You may say I'm a dreamer

But I'm not the only one

I hope someday you'll join us

And the world will live as one

# Hi Ho Silver Lining

You're everywhere and nowhere, baby,  
That's where you're at,  
Going down a bumpy hillside, in your hippy hat.  
Flying out across the country, and getting fat  
Saying everything is groovy when your tyres are flat

And it's hi ho silver lining  
And away you go now baby  
I see your sun is shining  
But I won't make a fuss  
Though it's obvious.

Flies are in your pea soup baby, they're waving at me  
Anything you want is yours now, only nothing's for free.  
Lies are gonna get you someday, just wait and see.  
So open up your beach umbrella  
While you're watching tv

And it's hi ho silver lining and away you go now baby  
I see your sun is shining but I won't make a fuss  
Though it's obvious.

(Instrumental)

And it's hi ho silver lining and away you go now baby  
I see your sun is shining but I won't make a fuss  
Though it's obvious.

And it's hi ho silver lining and away you go now baby  
I see your sun is shining but I won't make a fuss  
Though it's obvious.

# **Bridge Over Troubled Water**

When you're weary, feeling small  
When tears are in your eyes I will dry them all  
I'm on your side when times get rough  
And friends just can't be found  
Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down

When you're down and out, when you're on the street  
When evening falls so hard, I will comfort you  
I'll take your part, when darkness comes  
And pain is all around  
Like a bridge over troubled water  
I will lay me down  
Like a bridge over troubled water  
I will lay me down  
  
(Instrumental)

Sail on Silver Girl, sail on by  
Your time has come to shine  
All your dreams are on their way  
See how they shine when need a friend  
I'm sailing right behind  
Like a bridge over troubled water  
I will ease your mind  
Like a bridge over troubled water  
I will ease your mind

# Your Song

It's a little bit funny this feeling inside  
I'm not one of those who can easily hide  
I don't have much money but boy if I did  
I'd buy a big house where we both could live  
If I was a sculptor, but then again, no  
Or a man who makes potions in a travelling show  
I know it's not much but it's the best I can do  
My gift is my song and this one's for you

And you can tell everybody this is your song  
It may be quite simple but now that it's done  
I hope you don't mind  
I hope you don't mind that I put down in words  
How wonderful life is while you're in the world

I sat on the roof and kicked off the moss  
Well a few of the verses well they've got me quite cross  
But the sun's been quite kind while I wrote this song  
It's for people like you that keep it turned on  
So excuse me forgetting but these things I do  
You see I've forgotten if they're green or they're blue  
Anyway the thing is what I really mean  
Yours are the sweetest eyes I've ever seen

And you can tell everybody this is your song  
It may be quite simple but now that it's done  
I hope you don't mind  
I hope you don't mind that I put down in words  
How wonderful life is while you're in the world

I hope you don't mind  
I hope you don't mind that I put down in words  
How wonderful life is while you're in the world

# Sweet Caroline

Where it began, I can't begin to knowin'  
But then I know it's growing strong  
Was in the spring  
And spring became the summer  
Who'd have believed you'd come along  
Hands, touching hands  
Reaching out, touching me, touching you

Sweet Caroline good times never seemed so good  
I've been inclined, to believe they never would, but now I...

Look at the night, and it don't seem so lonely  
We fill it up with only two  
And when I hurt, hurting runs off my shoulders  
How can I hurt when I'm with you

Warm, touching warm  
Reaching out, touching me, touching you

Sweet Caroline good times never seemed so good  
I've been inclined, to believe they never would  
Oh, no, no

Sweet Caroline, good times never seemed so good  
Sweet Caroline, good times never seemed so good  
Sweet Caroline, good times never seemed so good  
Sweet Caroline, good times never seemed so good

Oh, no, no

# **New York, New York**

**New York, New York**

**These vagabond shoes**

**They are longing to stray**

**Right through the very heart of it**

**New York, New York**

**I want to wake up in that city that doesn't sleep**

**And find I'm king of the hill, top of the heap**

**My little town blues they are melting away**

**I'm gonna make a brand new start of it**

**In old New York**

**If I can make it there I'll make it anywhere**

**It's up to you New York, New York**

**New York, New York**

**I want to wake up in that city**

**That never sleeps**

**And find I'm king of the hill**

**Top of the list, head of the heap**

**King of the hill**

**These little town blues**

**They've all melted away**

**I am about to make a brand new start of it**

**New York New York**

**If I can make it there I'll make it anywhere**

**It's up to you New York, New York**

## **You'll Never Walk Alone**

**When you walk through a storm hold your head up high**

**And don't be afraid of the dark.**

**At the end of a storm is a golden sky**

**And the sweet silver song of a lark.**

**Walk on through the wind,**

**Walk on through the rain,**

**Tho' your dreams be tossed and blown.**

**Walk on, walk on with hope in your heart**

**And you'll never walk alone,**

**You'll never, walk alone.**

**Walk on, walk on with hope in your heart**

**And you'll never walk alone,**

**You'll never, walk alone.**

# Help!

When I was younger, so much younger than today,  
I never needed anybody's help in any way.  
But now these days are gone, I'm not so self assured,  
Now I find I've changed my mind and opened up the doors.

Help me if you can, I'm feeling down  
And I do appreciate you being round.  
Help me, get my feet back on the ground,  
Won't you please, please help me.

And now my life has changed in oh so many ways,  
My independence seems to vanish in the haze.  
But every now and then I feel so insecure,  
I know that I just need you like I've never done before.

Help me if you can, I'm feeling down  
And I do appreciate you being round.  
Help me, get my feet back on the ground,  
Won't you please, please help me.

When I was younger, so much younger than today,  
I never needed anybody's help in any way.  
But now these days are gone, I'm not so self-assured,  
Now I find I've changed my mind and opened up the doors.

Help me if you can, I'm feeling down  
And I do appreciate you being round.  
Help me, get my feet back on the ground,  
Won't you please, please help me, help me, help me, oh

# Hey Jude

Hey Jude, don't make it bad.  
Take a sad song and make it better.  
Remember to let her into your heart,  
Then you can start to make it better.

And anytime you feel the pain, hey Jude, refrain,  
Don't carry the world upon your shoulders.  
For well you know that it's a fool who plays it cool  
By making his world a little colder.

Hey Jude, don't let me down.  
You have found her, now go and get her.  
Remember to let her into your heart,  
Then you can start to make it better.

So let it out and let it in, hey Jude, begin,  
You're waiting for someone to perform with.  
And don't you know that it's just you, hey Jude, you'll do,  
The movement you need is on your shoulder.

Hey Jude, don't make it bad.  
Take a sad song and make it better.  
Remember to let her under your skin,  
Then you'll begin to make it  
Better, better, better, better, better, better, oh.

Na na na na na na na ,na na na, na hey Jude...

# **Sloop John B**

**We come on the Sloop John B  
My grandfather and me  
Around Nassau town we did roam  
Drinking all night  
Got into a fight  
Well I feel so broke up  
I want to go home**

**So hoist up the John B's sail  
See how the mainsail sets  
Call for the captain ashore  
Let me go home,  
I wanna go home, let me go home  
Well I feel so broke up, I wanna go home**

**The first mate he got drunk  
And broke in the Cap'n's trunk  
The constable had to come and take him away  
Sheriff John Stone  
Why don't you leave me alone  
Well I feel so broke up, I wanna go home**

**So hoist up the John B's sail  
See how the mainsail sets  
Call for the captain ashore  
Let me go home,  
I wanna go home, let me go home  
Well I feel so broke up  
I wanna go home**

**The poor cook he caught the fits  
And threw away all my grits  
And then he took and he ate up all of my corn  
Let me go home  
Why don't they let me go home  
This is the worst trip I've ever been on**

**So hoist up the John B's sail  
See how the mainsail sets  
Call for the captain ashore  
Let me go home,  
I wanna go home, let me go home  
Well I feel so broke up  
I wanna go home**

# **Bring Me Sunshine**

**Bring me sunshine in your smile**

**Bring me laughter all a while**

**In this world where we live there should be more happiness  
So much joy you can give to each brand new bright tomorrow**

**Make me happy through the years**

**Never bring me any tears**

**Let your arms be as warm as the sun from up above**

**Bring me fun, bring me sunshine and bring me love**

**Bring me sunshine in your eyes**

**Bring me rainbows from the clear blue skies**

**Life's too short to be spent having anything but fun**

**We can be so content if we gather little sunbeams**

**Be light hearted all day long**

**Keep me singing a happy song**

**Let your arms be as warm as the sun from up above**

**Bring me fun, bring me sunshine and bring me love**

# California Dreamin'

All the leaves are brown

And the sky is grey

I went for a walk

On a winter's day

I'd be safe and warm

If I was in L. A.

California dreamin'

On such a winter's day

I stopped into a church

I passed along the way

Well I got down on my knees

And I pretend to pray

Oh, the preacher likes the cold

He knows I'm gonna stay

California dreamin'

On such a winter's day

Instrumental

All the leaves are brown

And the sky is grey

I went for a walk

On a winter's day

# **Lord Of The Dance**

**I danced in the morning when the world was young  
I danced in the moon, and the stars, and the sun  
I came down from Heaven and I danced on the Earth  
At Bethlehem I had my birth**

**Dance, then, wherever you may be  
I am the lord of the dance said he  
And I lead you all wherever you may be  
And I lead you all in the dance said he**

**I danced for the Pharoah and the pharisees  
They wouldn't dance, they wouldn't follow me  
I danced for the fishermen James and John  
They came with me so the dance went on**

**Dance, then, wherever you may be  
I am the lord of the dance said he  
And I lead you all wherever you may be  
And I lead you all in the dance said he**

## **Music To Watch Girls By**

**The boys watch the girls while the girls watch the boys who watch the girls go by  
Eye to eye, they solemnly convene to make the scene  
Which is the name of the game, watch a guy watch a dame on any street in town  
Up and down and over and across, romance is boss**

**Guys talk "girl talk", it happens everywhere  
Eyes watch girls walk with tender lovin' care**

**It's keepin' track of the fact watching them watching back  
That makes the world go 'round  
"what's that sound? " each time you hear a loud collective sigh  
They're making music to watch girls by**

## **Nine To Five**

**Tumble out of bed and stumble to the kitchen  
Pour myself a cup of ambition,  
And yawn, and stretch, and try to come to life.  
Jump in the shower, and the blood starts pumping;  
Out on the street, the traffic starts jumping,  
With folks like me on the job from nine to five.**

**Nine to five, what a way to make a living  
Barely getting by, it's all taking and no giving.  
They just use your mind,  
You never get the credit  
It's enough to drive you crazy, if you let it.**

**Nine to five, for service and devotion you would  
Think that I would deserve a fair promotion, want to  
Move ahead, but the boss won't seem to let me.  
I swear sometimes, that man is out to get me.**

**They let you dream just to watch them shatter;  
You're just a step on the boss man's ladder,  
But you've got dreams he'll never take away.  
In the same boat with a lot of your friends  
Waitin' for the day your ship'll come in,  
And the tide's gonna turn, and it's all gonna roll your way.**

**Nine to five, what a way to make a living  
Barely getting by, it's all taking and no giving.  
They just use your mind,  
You never get the credit  
It's enough to drive you crazy, if you let it.  
Nine to five, they've got you where they want you  
There's a better life, and you dream about it, don't you?  
It's a rich man's game, no matter what they call it  
And you spend your life putting money in his pocket.**

# Happy Together

Imagine me and you, I do  
I think about you day and night, it's only right  
To think about the girl you love, and hold her tight  
So happy together

If I should call you up, invest a dime  
And you say you belong to me, and ease my mind  
Imagine how the world could be, so very fine  
So happy together

I can't see me loving nobody but you, for all my life  
When you're with me, baby the skies will be blue  
For all my life

Me and you, and you and me  
No matter how they tossed the dice, it had to be  
The only one for me is you, and you for me  
So happy together

I can't see me loving nobody but you, for all my life  
When you're with me, baby the skies will be blue  
For all my life

## **Que Sera Sera**

**When I was just a little girl  
I asked my mother, what will I be  
Will I be pretty, will I be rich  
Here's what she said to me.**

**Que Sera, Sera,  
Whatever will be, will be  
The future's not ours, to see  
Que Sera, Sera  
What will be, will be.**

**When I was young, I fell in love  
I asked my sweetheart what lies ahead  
Will we have rainbows, day after day  
Here's what my sweetheart said.**

# **Rhinestone Cowboy**

I've been walkin' these streets so long  
Singin' the same old song  
I know every crack in these dirty sidewalks of Broadway  
Where hustle's the name of the game  
And nice guys get washed away like the snow and the rain  
There's been a load of compromisin'  
On the road to my horizon  
But I'm gonna be where the lights are shinin' on me

Like a rhinestone cowboy  
Riding out on a horse in a star-spangled rodeo  
Like a rhinestone cowboy  
Getting cards and letters from people I don't even know  
And offers comin' over the phone

Well, I really don't mind the rain  
And a smile can hide all the pain  
But you're down when you're ridin' the train that's takin' the long way  
And I dream of the things I'll do  
With a subway token and a dollar tucked inside my shoe  
There'll be a load of compromisin'  
On the road to my horizon  
But I'm gonna be where the lights are shinin' on me

Like a rhinestone cowboy  
Riding out on a horse in a star-spangled rodeo  
Rhinestone cowboy  
Gettin' cards and letters from people I don't even know  
And offers comin' over the phone

Like a rhinestone cowboy  
Riding out on a horse in a star-spangled rodeo

## **Singing In The Rain**

**I'm singin' in the rain  
Just singin' in the rain  
What a glorious feelin'  
I'm happy again.  
I'm laughing at clouds.  
So dark up above  
The sun's in my heart  
And I'm ready for love.**

**Let the stormy clouds chase.  
Everyone from the place  
Come on with the rain  
I've a smile on my face  
I walk down the lane  
With a happy refrain  
Just singin'  
Singin' in the rain**

### **Instrumental**

**Let the stormy clouds chase.  
Everyone from the place  
Come on with the rain  
I've a smile on my face  
I walk down the lane  
With a happy refrain  
Just singin'  
Singin' in the rain**

## **Streets Of London**

Have you seen the old man  
In the closed-down market  
Kicking up the paper,  
With his worn out shoes?  
In his eyes you see no pride  
Hand held loosely at his side  
Yesterday's paper telling yesterday's news

So how can you tell me you're lonely,  
And say for you that the sun don't shine.  
Let me take you by the hand and lead you through the streets of London  
I'll show you something to make you change your mind

Have you seen the old girl  
Who walks the streets of London  
Dirt in her hair and her clothes in rags?  
She's no time for talking,  
She just keeps right on walking  
Carrying her home in two carrier bags.

So how can you tell me you're lonely,  
And say for you that the sun don't shine.  
Let me take you by the hand and lead you through the streets of London  
I'll show you something to make you change your mind

In the all night cafe  
At a quarter past eleven,  
Same old man sitting there on his own  
Looking at the world  
Over the rim of his tea-cup,  
Each tea lasts an hour  
Then he wanders home alone

So how can you tell me you're lonely,  
Don't say for you that the sun don't shine.  
Let me take you by the hand and lead you through the streets of London  
I'll show you something to make you change your mind

Have you seen the old man  
Outside the Seaman's Mission  
Memory fading with the medal ribbons that he wears  
In our winter city,  
The rain cries a little pity  
For one more forgotten hero  
And a world that doesn't care

So how can you tell me you're lonely,  
And say for you that the sun don't shine.  
Let me take you by the hand and lead you through the streets of London  
I'll show you something to make you change your mind

## Wild Rover

I've been a wild rover for many a year,  
And I've spent all me money on whiskey and beer  
But now I'm returning with gold in great store,  
And I promise to play the wild rover no more

*And it's no, nay, never!*

*No nay never no more*

*Will I play the wild rover?*

*No never no more*

I went to an alehouse I used to frequent,  
And I told the landlady my money was spent  
I asked her for credit, she answered me, 'Nay,  
Sure a custom like yours I could get any day'

*And it's no, nay, never!*

*No nay never no more*

*Will I play the wild rover?*

*No never no more,*

And from my pocket I took sovereigns bright,  
And the landlady's eyes, they lit up with delight  
She said, 'I have whiskeys and wines of the best,  
And the words that I spoke, sure were only in jest'

*And it's no, nay, never!*

*No nay never no more*

*Will I play the wild rover?*

*No never no more*

I'll go home to my parents, confess what I've done,  
And I'll ask them to pardon their prodigal son  
And if they forgive me as oft-times before,  
Then I promise I'll play the wild rover no more

*And it's no, nay, never!*

*No nay never no more*

*Will I play the wild rover?*

*No never no more x2*

# Y.M.C.A.

Young man, there's no need to feel down.  
I said, young man, pick yourself off the ground.  
I said, young man, 'cause you're in a new town  
There's no need to be unhappy.  
Young man, there's a place you can go.  
I said, young man, when you're short on your dough.  
You can stay there, and I'm sure you will find  
Many ways to have a good time.

It's fun to stay at the YMCA.  
It's fun to stay at the YMCA.  
They have everything for you men to enjoy,  
You can hang out with all the boys...  
It's fun to stay at the YMCA.  
It's fun to stay at the YMCA.  
You can get yourself cleaned, you can have a good meal,  
You can do whatever you feel...

Young man, are you listening to me?  
I said, young man, what do you want to be?  
I said, young man, you can make real your dreams.  
But you got to know this one thing!  
No man does it all by himself.  
I said, young man, put your pride on the shelf,  
And just go there, to the YMCA.  
I'm sure they can help you today.

It's fun to stay at the YMCA.  
It's fun to stay at the YMCA.  
They have everything for you men to enjoy,  
You can hang out with all the boys...  
It's fun to stay at the YMCA.  
It's fun to stay at the YMCA.  
You can get yourself cleaned, you can have a good meal,  
You can do whatever you feel...

Young man, I was once in your shoes.  
I said, I was down and out with the blues.  
There's a place there called the YMCA.  
They can start you back on your way.

It's fun to stay at the YMCA.  
It's fun to stay at the YMCA.  
They have everything for you men to enjoy,  
You can hang out with all the boys...  
It's fun to stay at the YMCA.

## Downtown

When you're alone and life is making you lonely,  
You can always go downtown  
When you've got worries all the noise and the hurry  
Seems to help, I know, downtown

Just listen to the music of the traffic in the city  
Linger on the sidewalk where the neon signs are pretty  
How can you lose?  
The lights are much brighter there  
You can forget all your troubles, forget all your cares and go  
Downtown, things'll be great when you're  
Downtown, no finer place for sure,  
Downtown, everything's waiting for you  
Downtown

Don't hang around and let your problems surround you  
There are movie shows downtown  
Maybe you know some little places to go to  
Where they never close downtown  
Just listen to the rhythm of a gentle bossa nova  
You'll be dancing with 'em too before the night is over  
Happy again

The lights are much brighter there  
You can forget all your troubles, forget all your cares and go  
Downtown where all the lights are bright,  
Downtown, waiting for you tonight,  
Downtown, you're gonna be alright now  
Downtown, downtown, downtown.

### Instrumental

And you may find somebody kind to help and understand you,  
Someone who is just like you and needs a gentle hand to  
Guide them along  
So, maybe I'll see you there  
We can forget all our troubles, forget all our cares and go  
Downtown, things'll be great when you're  
Downtown, don't wait a minute more,  
Downtown, everything's waiting for you  
Downtown, downtown, downtown.

## Mr. Blue Sky

Sun is shinin' in the sky, there ain't a cloud in sight  
It's stopped rainin' everybody's in a play  
And don't you know it's a beautiful new day, hey.

Runnin' down the avenue, see how the sun shines brightly  
In the city on the streets where once was pity,  
Mr. Blue sky is living here today.  
Mr. Blue sky, please tell us why,  
You had to hide away  
For so long (so long), where did we go wrong.  
Mr. Blue sky, please tell us why,  
You had to hide away  
For so long (so long), where did we go wrong.

### *Instrumental*

Hey you with the pretty face, welcome to the human race  
A celebration Mr. Blue sky's up there waitin' and today  
Is the day we've waited for  
Mr. Blue sky, please tell us why,  
You had to hide away for so long (so long), where did we go wrong.  
Hey there Mr. Blue we're so pleased to be with you  
Look around see what you do,  
Everybody smiles at you.  
Hey there Mr. Blue we're so pleased to be with you  
Look around see what you do,  
Everybody smiles at you.

(Mr. Blue Sky, Mr, Blue Sky, Mr. Blue Sky)

Mr. Blue you did it right, but soon comes Mr. Night,  
Creepin' over, now his hand is on your shoulder,  
Never mind I'll remember you this I'll remember you this way

Mr. Blue sky, please tell us why, you had to hide away  
For so long (so long), where did we go wrong.  
Hey there Mr. Blue we're so pleased to be with you  
Look around see what you do,  
Everybody smiles at you.

Hey there Mr. Blue, we're so pleased to be with you  
Look around see what you do,  
Everybody smiles at you.

Hey there Mr. Blue, we're so pleased to be with you  
Look around see what you do,  
Everybody smiles at you.

## 500 Miles

When I wake up, well I know I'm gonna be,  
I'm gonna be the man who wakes up next to you.

When I go out well I know I'm gonna be  
I'm gonna be the man who goes along with you.

If I get drunk, well I know I'm gonna be  
I'm gonna be the man who gets drunk next to you,

And if I haver, yeah I know I'm gonna be I'm gonna be the man who's havering to you,

But I would walk 500 miles and I would walk 500 more  
Just to be the man who walked a thousand miles  
To fall down at your door

When I'm working, yes I know I'm gonna be  
I'm gonna be the man who's working hard for you,  
And when the money, comes in for the work I do  
I'll pass almost every penny on to you  
When I come home, I know I'm gonna be  
I'm gonna be the man who comes back home to you  
And when I grow old, well I know I'm gonna be  
I'm gonna be the man who's growing old with you

But I would walk 500 miles and I would walk 500 more  
Just to be the man who walked a thousand miles,  
To fall down at your door

Da da lat da etc

When I'm lonely, well I know I'm gonna be  
I'm gonna be the man who's lonely without you  
When I'm dreaming, well I know I'm gonna dream  
I'm gonna dream about the time when I'm with you  
When I go out well I know I'm gonna be  
I'm gonna be the man who goes along with you  
And when I come home, yeah I know I'm gonna be  
I'm gonna be the man who comes back home with you  
I'm gonna be the man who's coming home with you

But I would walk 500 miles and I would walk 500 more  
Just to be the man who walked a thousand miles  
To fall down at your door

Da da lat da etc  
Da da lat da etc x2

And I would walk 500 miles and I would walk 500 more  
Just to be the man who walked a thousand miles  
To fall down at your door

# Shine

You, you're such a big star to me  
You're everything I wanna be  
But you're stuck in a hole and I want you to get out  
I don't know what there is to see  
But I know it's time for you to leave  
We're all just pushing along  
Trying to figure it out, out, out.  
All your anticipation pulls you down  
When you can have it all, you can have it all.

So come on, so come on, get it on  
Don't know what you're waiting for  
Your time is coming don't be late, hey hey  
So come on see the light on your face  
Let it shine just let it shine  
Let it shine

Stop  
Being so hard on yourself  
It's not good for your health  
I know that you can change  
So clear your head and come around  
You only have to open your eyes  
You might just get a big surprise  
And it may feel good, and you might want to smile, smile, smile.  
Don't you let your demons pull you down  
'Cause you can have it all, you can have it all.

So come on, so come on, get it on  
Don't know what you're waiting for  
Your time is coming don't be late, hey hey  
So come on see the light on your face  
Let it shine just let it shine  
Let it shine.

Hey, let me know you  
You're all that matters to me  
Hey, let me show you  
You're all that matters to me.  
So come on, so come on get it on  
Don't know what you're waiting for  
Your time is coming don't be late, hey hey  
So come on see the light on your face  
Let it shine just let it shine  
Let it shine.

Hey, let me know you  
You're all that matters to me  
Hey, let me show you  
You're all that matters to me. 3x

## Close To You

Why do birds suddenly appear  
Every time you are near  
Just like me they long to be close to you  
Why do stars fall down from the sky  
Every time you walk by  
Just like me they long to be close to you

On the day that you were born the angels got together  
And decided to create a dream come true  
So they sprinkled moon dust in your hair  
Of gold and starlight in your eyes of blue

That is why all the girls in town  
Follow you all around  
Just like me they long to be close to you

### Instrumental

Just like me they long to be close to you

On the day that you were born the angels got together  
And decided to create a dream come true  
So they sprinkled moon dust in your hair  
Of gold and starlight in your eyes of blue

That is why all the girls in town  
Follow you all around  
Just like me they long to be close to you

Ah, close to you x4

## Copacabana

Her name was Lola, she was a showgirl  
With yellow feathers in her hair and a dress cut down to there  
She would merengue and do the cha-cha  
And while she tried to be a star  
Tony always tended bar  
Across the crowded floor, they worked from 8 til 4  
They were young and they had each other  
Who could ask for more?

At the copa Copacabana  
The hottest spot north of Havana  
At the copa Copacabana  
Music and passion were always in fashion  
At the copa.... They fell in love

His name was Rico he wore a diamond  
He was escorted to his chair, he saw Lola dancing there  
And when she finished, he called her over  
But Rico went a bit too far Tony sailed across the bar  
And then the punches flew and chairs were smashed in two  
There was blood and a single gun shot  
But just who shot who?

At the copa Copacabana The hottest spot north of Havana  
At the copa Copacabana  
Music and passion were always in fashion  
At the copa... She lost her love

Her name is Lola, she was a showgirl,  
But that was 30 years ago, when they used to have a show  
Now it's a disco, but not for Lola,  
Still in dress she used to wear,  
Faded feathers in her hair  
She sits there so refined, and drinks herself half-blind  
She lost her youth and she lost her Tony  
Now she's lost her mind

At the copa Copacabana The hottest spot north of Havana  
At the copa Copacabana  
Music and passion were always in fashion  
At the copa... Don't fall in love

# I'm Still Standing

You could never know what it's like  
Your blood like winter freezes just like ice  
And there's a cold lonely light that shines from you  
You'll wind up like the wreck you hide behind that mask you use

And did you think this fool could never win  
Well look at me, I'm coming back again  
I got a taste of love in a simple way  
And if you need to know while I'm still standing you just fade away

Don't you know I'm still standing better than I ever did  
Looking like a true survivor, feeling like a little kid  
I'm still standing after all this time  
Picking up the pieces of my life without you on my mind  
I'm still standing yeah yeah yeah  
I'm still standing yeah yeah yeah

Once I never could hope to win  
You starting down the road leaving me again  
The threats you made were meant to cut me down  
And if our love was just a circus you'd be a clown by now

Don't you know I'm still standing better than I ever did  
Looking like a true survivor, feeling like a little kid  
I'm still standing after all this time  
Picking up the pieces of my life without you on my mind  
I'm still standing yeah yeah yeah  
I'm still standing yeah yeah yeah

## Instrumental

Don't you know I'm still standing better than I ever did  
Looking like a true survivor, feeling like a little kid  
I'm still standing after all this time  
Picking up the pieces of my life without you on my mind  
I'm still standing yeah yeah yeah  
I'm still standing yeah yeah yeah

# I Will Survive

At first I was afraid I was petrified  
Kept thinking I could never live without you by my side  
But then I spent so many nights thinking how you did me wrong  
And I grew strong and I learned how to get along  
And so you're back from outer space  
I just walked in to find you here with that sad look upon your face  
I should have changed that stupid lock I should have made you leave your key  
If I had known for just one second you'd be back to bother me

Go on now go, walk out the door  
Just turn around now 'cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
Did you think I'd crumble did you think I'd lay down and die  
Oh no, not I, I will survive  
Oh as long as I know how to love I know I will stay alive  
I've got all my life to live I've got all my love to give  
And I'll survive I will survive (hey-hey)

## *Instrumental*

It took all the strength I had not to fall apart  
Kept trying hard to mend the pieces of my broken heart  
And I spent oh so many nights just feeling sorry for myself  
I used to cry but now I hold my head up high  
And you see me somebody new  
I'm not that chained up little person still in love with you  
And so you felt like dropping in and just expect me to be free  
And now I'm saving all my loving for someone who's loving me

Go on now go, walk out the door  
Just turn around now 'cause you're not welcome anymore  
Weren't you the one who tried to hurt me with goodbye  
Did you think I'd crumble did you think I'd lay down and die  
Oh no, not I, I will survive  
Oh as long as I know how to love I know I will stay alive  
I've got all my life to live I've got all my love to give  
And I'll survive I will survive (hey-hey) x2

# Rockin' All Over The World

Oh here we are and here we are and here we go  
All aboard and we're hittin' the road  
Here we go, rockin' all over the world

Well giddy up giddy up and get away  
We're goin' crazy and we're goin' today  
Here we go, rockin' all over the world

And I like it, I like it, I like it, I like it  
I li-li-li-like it, li-li-li-li  
Here we go, rockin' all over the world

## *Instrumental*

We're gonna tell your mama what you're gonna do  
So come on out with your dancing shoes  
Here we go, rockin' all over the world

And I like it, I like it, I like it, I like it  
I li-li-li-like it, li-li-li-li  
Here we go, rockin' all over the world

And I like it, I like it, I like it, I like it  
I li-li-li-like it, li-li-li-li  
Here we go, rockin' all over the world

And I like it, I like it, I like it, I like it  
I li-li-li-like it, li-li-li-li  
Here we go, rockin' all over the world

And I like it, I like it, I like it, I like it  
I li-li-li-like it, li-li-li-li  
Here we go, rockin' all over the world

## My Way

And now, the end is near  
And so I face the final curtain  
My friend, I'll say it clear  
I'll state my case, of which I'm certain  
I've lived a life that's full  
I travelled each and ev'ry highway  
And more, much more than this, I did it my way

Regrets, I've had a few  
But then again, too few to mention  
I did what I had to do, I saw it through without exemption  
I planned each charted course, each careful step along the highway  
And more, much more than this, I did it my way

Yes, there were times, I'm sure you knew  
When I bit off more than I could chew  
And through it all, when there was doubt  
I ate it up and spit it out  
I faced it all and I stood tall and did it my way

I've loved, I've laughed and cried  
I've had my fill, my share of losing  
And now, as tears subside, I find it all so amusing  
To think I did all that  
And may I say, not in a shy way,  
"Oh, no, oh, no, not me, I did it my way"

For what is a man, what has he got?  
If not himself, then he has naught  
The right to say the things he feels and not the words of one who kneels  
The record shows I took the blows and did it my way!

## Walking On Sunshine

I used to think maybe you loved me, now, baby, I'm sure  
And I just can't wait 'til the day when you knock on my door  
Now every time I go for the mailbox, gotta hold myself down  
'Cause I just can't wait 'til you write me, you're coming around

Now I'm walking on sunshine, I'm walking on sunshine  
I'm walking on sunshine and it's starting to feel good, hey  
All right now, and it's starting to feel good

I used to think maybe you loved me, now I know that it's true  
And I don't wanna spend my whole life just a waiting for you  
Now I don't want you back for the weekend not back for a day, no, no, no  
I said, baby, I just want you back and I want you to stay

Now I'm walking on sunshine, I'm walking on sunshine  
I'm walking on sunshine and it's starting to feel good, hey  
All right now, and it's starting to feel good  
And it's starting to feel good

Walking on sunshine, walking on sunshine  
I feel alive, I feel a love I feel a love that's really real  
I feel alive, I feel a love I feel a love that's really real  
I'm on sunshine, baby, I'm on sunshine, baby

Now I'm walking on sunshine, I'm walking on sunshine  
I'm walking on sunshine and it's starting to feel good, hey  
All right now, and it's starting to feel good  
I say it, I say it, I say it again, now

I'm walking on sunshine...

## Don't You Want Me

You were working as a waitress in a cocktail bar when I met you.  
I picked you out I shook you up and turned you around  
Turned you into someone new.

Now five years later on you've got the world at your feet  
Success has been so easy for you.  
But don't forget it's me who put you where you are now  
And I can put you back down too.

Don't, don't you want me? - You know I can't believe it  
When I hear that you won't see me.  
Don't, don't you want me? - You know I don't believe you  
When you say that you don't need me.  
It's much too late to find when you think you've changed your mind  
You'd better change it back or we will both be sorry.

Don't you want me baby? Don't you want me - oh?...  
Don't you want me baby? Don't you want me - oh?..

I was working as a waitress in a cocktail bar - that much is true.  
But even then I knew I'd find a much better place either with or without you.  
The five years we have had have been such good times, I still love you.  
But now I think it's time I live my life on my own  
I guess it's just what I must do.

Don't, don't you want me? - You know I can't believe it  
When I hear that you won't see me.  
Don't, don't you want me? - You know I don't believe you  
When you say that you don't need me.  
It's much too late to find when you think you've changed your mind  
You'd better change it back or we will both be sorry.

Don't you want me baby?  
Don't you want me - oh?...  
Don't you want me baby?  
Don't you want me - oh?..

## Build Me Up Buttercup

Why do you build me up Buttercup, baby  
Just to let me down and mess me around  
And then worst of all you never call, baby  
When you say you will but I love you still  
I need you more than anyone, darlin'  
You know that I have from the start  
So build me up Buttercup, don't break my heart

"I'll be over at ten", you told me time and again  
But you're late, I wait around and then  
I went to the door, I can't take any more  
It's not you, you let me down again

Baby, baby, try to find  
A little time and I'll make you happy  
I'll be home, I'll be beside the phone waiting for you  
Ooo-oo-ooo, ooo-oo-ooo

Why do you build me up Buttercup, baby  
Just to let me down and mess me around  
And then worst of all you never call, baby  
When you say you will but I love you still  
I need you more than anyone, darlin'  
You know that I have from the start  
So build me up Buttercup, don't break my heart

You were my toy but I could be the boy you adore  
If you'd just let me know  
Although you're untrue, I'm attracted to you all the more  
Why do I need you so

Baby, baby, try to find  
A little time and I'll make you happy  
I'll be home, I'll be beside the phone waiting for you  
Ooo-oo-ooo, ooo-oo-ooo

Why do you build me up Buttercup, baby  
Just to let me down and mess me around  
And then worst of all you never call, baby  
When you say you will but I love you still  
I need you more than anyone, darlin'  
You know that I have from the start  
So build me up Buttercup, don't break my heart

I-I-I need you-oo-oo more than anyone, baby  
You know that I have from the start  
So build me up Buttercup, don't break my heart

## **Can't Help Falling In Love**

Wise men say only fools rush in  
But I can't help falling in love with you  
Shall I stay would it be a sin  
If I can't help falling in love with you

Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be

Take my hand  
Take my whole life too  
If I can't help falling in love with you

Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be

Take my hand  
Take my whole life too  
If I can't help falling in love with you

Falling in love with you

## **Video Killed The Radio Star**

I heard you on the wireless back in Fifty Two  
Lying awake intent at tuning in on you.  
If I was young it didn't stop you coming through.  
Oh-a oh

They took the credit for your second symphony.  
Rewritten by machine and new technology,  
And now I understand the problems you can see.

Oh-a oh I met your children  
Oh-a oh What did you tell them?

Video killed the radio star. Video killed the radio star.  
Pictures came and broke your heart. Oh-a-a-a oh

And now we meet in an abandoned studio.  
We hear the playback and it seems so long ago.  
And you remember the jingles used to go.

Oh-a oh You were the first one.  
Oh-a oh You were the last one.

Video killed the radio star. Video killed the radio star.  
In my mind and in my car, we can't rewind we've gone too far  
Oh-a-aho oh, Oh-a-aho oh

### ***Instrumental***

Video killed the radio star. Video killed the radio star.  
In my mind and in my car, we can't rewind we've gone too far.  
Pictures came and broke your heart, put the blame on VCR.

You are a radio star.  
You are a radio star.  
Video killed the radio star.  
Video killed the radio star.  
Video killed the radio star.  
(Repeat then fade)

## You To Me Are Everything Lyrics

Oh, I would take the stars out of the sky for you  
Stop the rain from falling if you ask me to  
I'd do anything for you, your wish is my command  
I could move a mountain when your hand is in my hand

Oh, words cannot express how much you mean to me  
There must be some other way to make you see  
If it takes my heart and soul, you know I'll pay the price  
Everything that I possess I'd gladly sacrifice

Oh, you to me are everything the sweetest song that I can sing  
Oh baby, oh baby  
To you I guess I'm just a clown who picks you up each time you're down  
Oh baby, oh baby  
You give me just a taste of love to build my hopes upon  
You know you've got the power girl to keep me holding on  
Oh, now you've got the best of me  
Come on and take the rest of me, oh baby,

Oh, when you're close to me we seem so far apart  
Maybe given time you'll have a change of heart  
If it takes forever girl then I'm prepared to wait  
The day you give your love to me won't be a day too late

Oh, you to me are everything the sweetest song that I can sing  
Oh baby, oh baby  
To you I guess I'm just a clown who picks you up each time you're down  
Oh baby, oh baby  
You give me just a taste of love to build my hopes upon  
You know you've got the power girl to keep me holding on  
Oh, now you've got the best of me  
Come on and take the rest of me, oh baby,

Oh, you to me are everything the sweetest song that I can sing  
Oh baby, oh baby  
To you I guess I'm just a clown who picks you up each time you're down  
Oh baby, oh baby  
You to me are everything the sweetest song that I can sing  
Oh baby, oh baby  
To you I guess I'm just a clown who picks you up each time you're down  
Oh baby, oh baby

You give me just a taste of love to build my hopes upon  
You know you've got the power girl to keep me holding on  
Oh, now you've got the best of me  
Come on and take the rest of me, oh baby,

## Blowing In The Wind

How many roads must a man walk down  
Before they call him a man?

How many seas must a white dove sail  
Before she sleeps in the sand?

How many times must the cannonballs fly  
Before they're forever banned?

The answer, my friend, is blowing in the wind  
The answer is blowing in the wind.

How many years must a mountain exist  
Before it is washed to the sea?

How many years can some people exist  
Before they're allowed to be free?

How many times can a man turn his head  
And pretend that he just doesn't see?

The answer, my friend, is blowing in the wind  
The answer is blowing in the wind.

How many times must a man look up  
Before he can see the sky?

How many ears must one man have  
Before he can hear people cry?

How many deaths will it take till he knows  
That too many people have died?

The answer, my friend, is blowing in the wind  
The answer is blowing in the wind.

The answer is blowing in the wind.

The answer is blowing in the wind.

## **Don't Stop Believin'**

Just a small town girl, livin' in a lonely world  
She took the midnight train goin' anywhere  
Just a city boy, born and raised in South Detroit  
He took the midnight train goin' anywhere

A singer in a smokey room  
A smell of wine and cheap perfume  
For a smile they can share the night  
It goes on and on and on and on

Strangers waiting, up and down the boulevard  
Their shadows searching in the night  
Streetlights people, living just to find emotion  
Hiding, somewhere in the night.

Working hard to get my fill,  
Everybody wants a thrill  
Payin' anything to roll the dice,  
Just one more time  
Some will win, some will lose  
Some were born to sing the blues  
Oh, the movie never ends  
It goes on and on and on and on

Strangers waiting, up and down the boulevard  
Their shadows searching in the night  
Streetlights people, living just to find emotion  
Hiding, somewhere in the night.

Don't stop believin'  
Hold on to the feelin'  
Streetlights people oh

# Bohemian Rhapsody

(Is this the real life?  
Is this just fantasy?  
Caught in a landslide  
No escape from reality)  
Open your eyes  
Look up to the skies and see  
I'm just a poor boy (Poor boy)  
I need no sympathy  
Because I'm easy come, easy go  
Little high, little low  
Any way the wind blows  
Doesn't really matter to me, to me

Mama just killed a man  
Put a gun against his head  
Pulled my trigger, now he's dead  
Mama, life had just begun  
But now I've gone and thrown it all away  
Mama, ooh  
Didn't mean to make you cry  
If I'm not back again this time tomorrow  
Carry on, carry on as if nothing really  
matters

Too late, my time has come  
Sends shivers down my spine  
Body's aching all the time  
Goodbye, everybody  
I've got to go  
Gotta leave you all behind and face the  
truth  
Mama, ooh (Anyway the wind blows)  
I don't want to die  
Sometimes wish I'd never been born at all

[Guitar Solo]

I see a little silhouetto of a man  
Scaramouch, Scaramouch,  
Will you do the Fandango  
Thunderbolt and lightning,  
Very, very frightening me  
(Galileo) Galileo (Galileo) Galileo, Galileo Figaro  
Magnifico-o-o-o-o

I'm just a poor boy nobody loves me  
He's just a poor boy from a poor family  
Spare him his life from this monstrosity

Easy come, easy go, will you let me go?  
Bismillah! No, we will not let you go

Let him go

Bismillah! We will not let you go

Let him go

Bismillah! We will not let you go

Let me go (Will not let you go)

Let me go (Will not let you go)

(Never, never, never, never)

Let me go, o, o, o, o

No, no, no, no, no, no, no

(Oh mama mia, mama mia) Mama Mia, let me go

Beelzebub has the devil put aside

For me, for me, for me!

So you think you can stone me and spit in my eye  
So you think you can love me and leave me to die  
Oh, baby, can't do this to me, baby  
Just gotta get out, just gotta get right outta here

Nothing really matters

Anyone can see

Nothing really matters

Nothing really matters to me

Any way the wind blows

# We Are The Champions

I've paid my dues time after time  
I've done my sentence but committed no crime  
And bad mistakes, I've made a few  
I've had my share of sand kicked in my face  
But I've come through

We are the champions, my friends  
And we'll keep on fighting - till the end  
We are the champions  
We are the champions  
No time for losers  
Cause we are the champions - of the world

I've taken my bows  
And my curtain calls  
You brought me fame and fortune and everything that goes with it  
I thank you all

But it's been no bed of roses  
No pleasure cruise -  
I consider it a challenge before the whole human race  
And I ain't gonna lose -

We are the champions - my friends  
And we'll keep on fighting - till the end  
We are the champions  
We are the champions  
No time for losers  
Cause we are the champions - of the world

## The Sound Of Silence

Hello, darkness, my old friend  
I've come to talk with you again  
Because a vision softly creeping  
Left its seeds while I was sleeping  
And the vision that was planted in my brain  
Still remains  
Within the sound of silence

In restless dreams I walked alone  
Narrow streets of cobblestone  
'Neath the halo of a street lamp  
I turned my collar to the cold and damp  
When my eyes were stabbed by the flash of a neon light  
That split the night  
And touched the sound of silence

And in the naked light I saw  
Ten thousand people, maybe more  
People talking without speaking  
People hearing without listening  
People writing songs that voices never share  
And no-one dared  
Disturb the sound of silence

'Fools, ' said I, 'you do not know  
Silence like a cancer grows  
Hear my words that I might teach you  
Take my arms that I might reach you, '  
But my words like silent raindrops fell  
And echoed  
In the wells of silence

And the people bowed and prayed  
To the neon god they made  
And the sign flashed out its warning  
In the words that it was forming  
And the sign said 'The words of the prophets are written on the subway walls  
And tenement halls'  
And whisper'd  
In the sound of silence

# Teddy Bear

Baby let me be,  
Your lovin' teddy bear  
Put a chain around my neck,  
And lead me anywhere  
Oh let me be  
Your teddy bear.

I don't wanna be a tiger  
Cause tigers play too rough  
I don't wanna be a lion  
Cause lions ain't the kind  
You love enough.

Just wanna be, your teddy bear  
Put a chain around my neck  
And lead me anywhere  
Oh let me be  
Your teddy bear.

Baby let me be, around you every night  
Run your fingers through my hair,  
And cuddle me real tight  
Oh let me be  
Your teddy bear.

I don't wanna be a tiger  
Cause tigers play too rough  
I don't wanna be a lion  
Cause lions ain't the kind  
You love enough.

Baby let me be, around you every night  
Run your fingers through my hair,  
And cuddle me real tight  
Oh let me be  
Your teddy bear.

Let me be  
Your teddy bear  
I just wanna be your teddy bear.

## Dance The Night Away Lyrics

Here comes my happiness again  
Right back to where it should have been  
'Cause now she's gone and I am free  
And she can't do a thing to me

I just wanna dance the night away  
With señoritas who can sway  
Right now tomorrow's lookin' bright  
Just like the sunny mornin' light

And if you should see her  
Please let her know that I'm well  
As you can tell  
And if she should tell you  
That she wants me back  
Tell her no  
I gotta go

I just wanna dance the night away  
With señoritas who can sway  
Right now tomorrow's lookin' bright  
Just like the sunny mornin' light

Instrumental

And if you should see her  
Please let her know that I'm well  
As you can tell  
And if she should tell you  
That she wants me back  
Tell her no  
I gotta go

I just wanna dance the night away  
With señoritas who can sway  
Right now tomorrow's lookin' bright  
Just like the sunny mornin' light x3

## **I Can See Clearly Now**

I can see clearly now, the rain is gone,  
I can see all obstacles in my way  
Gone are the dark clouds that had me blind  
It's gonna be a bright, bright sun-Shiny day  
It's gonna be a bright, bright sun-Shiny day

I think I can make it now, the pain is gone  
All of the bad feelings have disappeared  
Here is the rainbow I've been prayin' for  
It's gonna be a bright, bright  
Sun-Shiny day.

Look all around, there's nothin' but blue skies  
Look straight ahead, nothin' but blue skies

I can see clearly now, the rain is gone,  
I can see all obstacles in my way  
Gone are the dark clouds that had me blind  
It's gonna be a bright, bright  
Sun-Shiny day.

# Oh What A Night

Oh, what a night

Late December back in '63

What a very special time for me

As I remember, what a night

Oh, what a night, you know I didn't even know her name

But I was never gonna be the same

What a lady, what a night

Oh, I, I got a funny feelin' when she walked in the room

Oh my, as I recall it ended much too soon

Oh what a night, hypnotisin' mesmerising me

She was ev'rything I dreamed she'd be

Sweet surrender, what a night

I felt a rush like a rollin' ball of thunder

Spinnin' my head around n' takin' my body under

Oh, what a night

Oh, I, I got a funny feelin' when she walked in the room

Oh my, as I recall it ended much too soon

Oh, what a night

Why'd it take so long to see the light

Seemed so wrong, but now it seems so right

What a lady, what a night

I felt a rush like a rollin' ball of thunder

Spinnin' my head around n' takin' my body under

Oh what a night

Oh what a night

Oh what a night

# I Only Want To Be With You

I don't know what it is that makes me love you so  
I only know I never want to let you go

'Cause you started something, can't you see  
That ever since we met you've had a hold on me  
It happens to be true, I only want to be with you

It doesn't matter where you go or what you do  
I want to spend each moment of the day with you  
Look what has happened with just one kiss  
I never knew that I could be in love like this  
It's crazy but it's true, I only want to be with you

You stopped and smiled at me  
Asked me if I'd care to dance  
I fell into your open arms  
I didn't stand a chance

Now, listen, honey, I just want to be beside you everywhere  
As long as we're together, honey, I don't care  
'Cause you started something, can't you see  
That ever since we met you've had a hold on me  
No matter what you do, I only want to be with you

Instrumental

You stopped and smiled at me  
Asked me if I'd care to dance  
I fell into your open arms  
I didn't stand a chance

Now hear me darling, I just want to be beside you everywhere  
As long as we're together, honey, I don't care  
'Cause you started something, can't you see  
That ever since we met you've had a hold on me  
No matter what you do, I only want to be with you  
I said, no matter, no matter what you do, I only want to be with you

# Any Dream Will Do

I closed my eyes, drew back the curtain  
To see for certain, what I thought I knew.  
Far, far away, someone was weeping,  
But the world was sleeping.  
Any dream will do.

I wore my coat, with golden lining,  
Bright colours shining, wonderful and new.  
And in the east, the dawn was breaking,  
And the world was waking.  
Any dream will do.

A crash of drums, a flash of light,  
My golden coat, flew out of sight.  
The colours faded into darkness,  
I was left alone.

May I return to the beginning?  
The light is dimming, and the dream is too.  
The world and I, we are still waiting,  
Still hesitating.  
Any dream will do.

## Instrumental

A crash of drums, a flash of light,  
My golden coat, flew out of sight.  
The colours faded into darkness,  
I was left alone.

May I return to the beginning?  
The light is dimming, and the dream is too.  
The world and I, we are still waiting,  
Still hesitating.  
Any dream will do.

Any dream will do  
Any dream will do

## **Uptown Girl**

Uptown girl she's been living in her uptown world  
I bet she's never had a backstreet guy  
I bet her momma never told her why

I'm gonna try for an uptown girl  
She's been living in her white bread world  
As long as anyone with hot blood can  
And now she's looking for a downtown man  
That's what I am

And when she knows what she wants from her time  
And when she wakes up and makes up her mind  
She'll see I'm not so tough  
Just because I'm in love with an uptown girl

You know I've seen her in her uptown world  
She's getting tired of her high class toys  
And all her presents from her uptown boys  
She's got a choice

### **Instrumental**

Uptown girl you know I can't afford to buy her pearls  
But maybe someday when my ship comes in  
She'll understand what kind of guy I've been  
And then I'll win

And when she's walking she's looking so fine  
And when she's talking she'll say that she's mine

She'll say I'm not so tough just because I'm in love with an uptown girl  
She's been living in her white bread world  
As long as anyone with hot blood can  
And now she's looking for a downtown man  
That's what I am

### **Instrumental**

Uptown girl she's my uptown girl,  
You know I'm in love  
With an uptown girl my uptown girl  
You know I'm in love with an uptown girl  
My uptown girl you know I'm in love  
With an uptown girl, my uptown girl  
You know I'm in love with an uptown girl

# Can You Feel The Love Tonight

There's a calm surrender to the rush of day  
When the heat of a rolling world can be turned away  
An enchanted moment, and it sees me through  
It's enough for this restless warrior just to be with you

And can you feel the love tonight  
It is where we are  
It's enough for this wide eyed wanderer  
That we got this far  
And can you feel the love tonight  
How it's laid to rest  
It's enough to make kings and vagabonds  
Believe the very best

There's a time for everyone if they only learn  
That the twisting kaleidoscope moves us all in turn  
There's a rhyme and reason to the wild outdoors  
When the heart of this star crossed voyager beats in time with yours

And can you feel the love tonight  
It is where we are  
It's enough for this wide eyed wanderer  
That we got this far  
And can you feel the love tonight  
How it's laid to rest  
It's enough to make kings and vagabonds  
Believe the very best  
It's enough to make kings and vagabonds  
Believe the very best

## Make Your Own Kind of Music

Nobody can tell ya;  
There's only one song worth singin',  
They may try and sell ya,  
'Cause it hangs them up to see someone like you.

But you've gotta make your own kind of music  
Sing your own special song,  
Make your own kind of music even if nobody else sings along.

You're gonna be knowing  
The loneliest kind of lonely,  
It may be rough goin',  
Just to do your thing's the hardest thing to do.

But you've gotta make your own music  
Sing your own special song,  
Make your own kind of music even if nobody else sings along.

So if you cannot take my hand,  
And if you must be goin',  
I will understand.

But you've gotta make your kind of own music  
Sing your own special song,  
Make your own kind of music even if nobody else sings along.

You're gonna be knowing  
The loneliest kind of lonely,  
It may be rough goin',  
Just to do your thing's the hardest thing to do.

But you've gotta make your own music  
Sing your own special song,  
Make your own kind of music even if nobody else sings along.

So if you cannot take my hand,  
And if you must be goin',  
I will understand.

But you've gotta make your kind of own music  
Sing your own special song,  
Make your own kind of music even if nobody else sings along.

## **It's Not Unusual**

It's not unusual to be loved by anyone  
It's not unusual to have fun with anyone  
But when I see you hanging about with anyone  
It's not unusual to see me cry, I wanna die

It's not unusual to go out at any time  
But when I see you out and about it's such a crime  
If you should ever want to be loved by anyone  
It's not unusual it happens every day no matter what you say

You'll find it happens all the time  
Love will never do what you want it to  
Why can't this crazy love be mine?

## **Instrumental**

It's not unusual to be mad with anyone  
It's not unusual to be sad with anyone  
But if I ever find that you've changed at anytime  
It's not unusual to find out I'm in love with you

## The Boxer

I am just a poor boy  
Though my story's seldom told  
I have squandered my resistance  
For a pocket full of mumbles, such are promises  
All lies and jests  
Still a man hears what he wants to hear  
And disregards the rest mmm mmm

When I left my home and my family  
I was no more than a boy  
In the company of strangers  
In the quiet of the railway station  
Running scared,  
Laying low, seeking out the poorer quarters  
Where the ragged people go  
Looking for the places  
Only they would know

Lie la lie, lie la la la lie la lie  
Lie la lie, lie la la la la lie la la la la lie

Asking only workman's wages  
I come looking for a job but I get no offers  
Just a come-on from the whores on Seventh Avenue  
I do declare there were times when I was so lonesome  
I took some comfort there, la la la la la la la

### Instrumental

Lie la lie, lie la la la lie la lie  
Lie la lie, lie la la la la lie la la la la lie

Then I'm laying out my winter clothes  
And wishing I was gone  
Going home  
Where the New York City winters aren't bleeding me  
Leading me  
Going home

In the clearing stands a boxer  
And a fighter by his trade  
And he carries the reminders  
Of ev'ry glove that laid him down  
Or cut him till he cried out  
In his anger and his shame  
"I am leaving, I am leaving"  
But the fighter still remains, mmm mmm

Lie la lie, lie la la la lie la lie  
Lie la lie, lie la la la la lie la la la la lie

etc.

## Ob-La-Di, Ob-La-Da

Desmond has a barrow in the marketplace  
Molly is the singer in a band  
Desmond says to Molly, girl, I like your face  
And Molly says this as she takes him by the hand

Ob la di, ob-la-da, life goes on, brah  
La-la, how the life goes on  
Ob-la di, ob-la-da, life goes on, brah  
La-la, how the life goes on

Desmond takes a trolley to the jeweller's store  
Buys a twenty carat golden ring  
Takes it back to Molly waiting at the door  
And as he gives it to her she begins to sing

Ob la di, ob-la-da, life goes on, brah  
La-la, how the life goes on  
Ob-la di, ob-la-da, life goes on, brah  
La-la, how the life goes on

In a couple of years they have built  
A home sweet home  
With a couple of kids running in the yard  
Of Desmond and Molly Jones

Happy ever after in the market place  
Desmond lets the children lend a hand  
Molly stays at home and does her pretty face  
And in the evening she still sings it with the band

Ob la di, ob-la-da, life goes on, brah  
La-la, how the life goes on  
Ob-la di, ob-la-da, life goes on, brah  
La-la, how the life goes on

In a couple of years they have built  
A home sweet home  
With a couple of kids running in the yard  
Of Desmond and Molly Jones

Happy ever after in the market place  
Desmond lets the children lend a hand  
Molly stays at home and does her pretty face  
And in the evening she still sings it with the band

Ob la di, ob-la-da, life goes on, brah  
La-la, how the life goes on  
Ob-la di, ob-la-da, life goes on, brah  
La-la, how the life goes on

And if you want some fun, sing ob-la-di, bla-da

## Something Inside So Strong

The higher you build your barriers, the taller I become  
The further you take my rights away, the faster I will run  
You can deny me, you can decide, to turn your face away  
No matter 'cause there's

Something inside so strong  
I know that I can make it  
Though you're doing me wrong, so wrong  
You thought that my pride was gone, oh no  
There's something inside so strong  
Oh, something inside so strong

The more you refuse to hear my voice, the louder I will sing  
You hide behind walls of Jericho, your lies will come tumbling  
Deny my place in time, you squander wealth that's mine  
My light will shine so brightly it will blind you  
'cause there's

Something inside so strong  
I know that I can make it  
Though you're doing me wrong, so wrong  
You thought that my pride was gone, oh no  
There's something inside so strong  
Oh, something inside so strong

Brothers and sisters when they insist we're just not good enough  
Well we know better just look him in his eyes and say  
We're gonna do it anyway, we're gonna do it anyway

There's something inside so strong  
And I know that I can make it  
Though you're doing me wrong, so wrong  
You thought that my pride was gone, oh no  
There's something inside so strong, oh  
Something inside so strong

### Instrumental

Brothers and sisters, when they insist we're just not good enough  
Well we know better, just look him in his eyes and say  
We're gonna do it anyway, we're gonna do it anyway

Oh oh, something inside so strong  
Oh oh, something inside so strong

# I'll Be There for You

So no one told you life was gonna be this way  
Your job's a joke, you're broke  
Your love life's D.O.A  
It's like you're always stuck in second gear  
When it hasn't been your day, your week, your month  
Or even your year, but

I'll be there for you  
When the rain starts to pour  
I'll be there for you  
Like I've been there before  
I'll be there for you  
'Cause you're there for me too

You're still in bed at ten  
And work began at eight  
You've burned your breakfast, so far  
Things are going great  
Your mother warned you there'd be days like these  
But she didn't tell you when the world has brought  
You down to your knees and

I'll be there for you  
When the rain starts to pour  
I'll be there for you  
Like I've been there before  
I'll be there for you  
'Cause you're there for me too

No one could ever know me  
No one could ever see me  
Seems you're the only one who knows  
What it's like to be me  
Someone to face the day with  
Make it through all the rest with  
Someone I'll always laugh with  
Even at my worst, I'm best with you, yeah

## Instrumental

It's like you're always stuck in second gear  
When it hasn't been your day, your week, your month  
Or even your year

I'll be there for you  
When the rain starts to pour  
I'll be there for you  
Like I've been there before  
I'll be there for you  
'Cause you're there for me too

I'll be there for you  
I'll be there for you  
I'll be there for you  
'Cause you're there for me too

## Mustang Sally

Mustang Sally, think you better slow your mustang down

Mustang Sally, think you better slow your mustang down

You been running all over the town now

Oh! I guess I'll have to put your flat feet on the ground

All you want to do is ride around Sally, ride, Sally, ride

All you want to do is ride around Sally, ride, Sally, ride

All you want to do is ride around Sally, ride, Sally, ride

All you want to do is ride around Sally, ride, Sally, ride

One of these early mornings, oh, you gonna be wiping your weeping eyes

I bought you a brand new mustang 'bout nineteen sixty five

Now you come around signifying a woman, you don't want to let me ride

Mustang Sally, think you better slow your mustang down

You been running all over the town now

Oh! I guess I'll have to put your flat feet on the ground

All you want to do is ride around Sally, ride, Sally, ride

All you want to do is ride around Sally, ride, Sally, ride

All you want to do is ride around Sally, ride, Sally, ride

All you want to do is ride around Sally, ride, Sally, ride

Oh! I guess I'll have to put your flat feet on the ground

## Can't Take My Eyes Off Of You

You're just too good to be true  
I can't take my eyes off you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true  
Can't take my eyes off you

Pardon the way that I stare  
There's nothing else to compare  
The sight of you leaves me weak  
There are no words left to speak  
But if you feel like I feel  
Please let me know that is real  
You're just too good to be true  
I can't take my eyes off you

I love you baby and if it's quite all right  
I need you baby to warm the lonely nights  
I love you baby trust in me when I say  
Oh pretty baby don't bring me down I pray  
Oh pretty baby now that I've found you stay  
And let me love you, baby  
Let me love you

You're just too good to be true  
I can't take my eyes off you  
You'd be like heaven to touch  
I wanna hold you so much  
At long last love has arrived  
And I thank God I'm alive  
You're just too good to be true

Oh pretty baby don't bring me down I pray  
Oh pretty baby now that I've found you stay  
And let me love you, baby  
Let me love you

# Raindrops Keep Falling on My Head

Raindrops keep fallin' on my head  
And just like the guy whose feet are too big for his bed  
Nothin' seems to fit  
Those raindrops are fallin' on my head, they keep fallin'

So I just did me some talkin' to the sun  
And I said I didn't like the way he got things done  
Sleepin' on the job  
Those raindrops are fallin' on my head, they keep fallin'

But there's one thing I know  
The blues they send to meet me won't defeat me  
It won't be long till happiness steps up to greet me

Raindrops keep fallin' on my head  
But that doesn't mean my eyes will soon be turnin' red  
Cryin's not for me  
'Cause I'm never gonna stop the rain by complainin'

Because I'm free  
Nothin's worryin' me

## **Instrumental**

It won't be long till happiness steps up to greet me

Raindrops keep fallin' on my head  
But that doesn't mean my eyes will soon be turnin' red  
Cryin's not for me  
'Cause I'm never gonna stop the rain by complainin'

Because I'm free  
Nothin's worryin' me

# Rawhide

Keep rollin', rollin', rollin'  
Though the streams are swollen  
Keep them doggies rollin', rawhide  
Through rain and wind and weather  
Hell bent for leather  
Wishin' my gal was by my side  
All the things I'm missin'  
Good vittles, love and kissin'  
Are waiting at the end of my ride

Move 'em on, head 'em up  
Head 'em up, move 'em on  
Move 'em on, head 'em up, rawhide  
Cut 'em out, ride 'em in  
Ride 'em in, cut 'em out  
Cut 'em out, ride 'em in, rawhide

Keep movin', movin', movin'  
Though they're disapprovin'  
Keep them doggies movin', rawhide  
Don't try to understand 'em  
Just rope 'em, throw, and brand 'em  
Soon we'll be livin' high and wide  
My heart's calculatin'  
My true love will be waitin'  
Be waitin' at the end of my ride

Move 'em on, head 'em up  
Head 'em up, move 'em on  
Move 'em on, head 'em up, rawhide  
Cut 'em out, ride 'em in  
Ride 'em in, cut 'em out  
Cut 'em out, ride 'em in, rawhide

## Instrumental

Move 'em on, head 'em up  
Head 'em up, move 'em on  
Move 'em on, head 'em up, rawhide  
Cut 'em out, ride 'em in  
Ride 'em in, cut 'em out  
Cut 'em out, ride 'em in, rawhide

# Ring of Fire

Love Is A Burning Thing  
And It Makes A Fiery Ring  
Bound By Wild Desire  
I Fell Into A Ring Of Fire

I Fell Into A Burning Ring Of Fire  
I Went Down, Down, Down  
And The Flames Went Higher  
And It Burns, Burns, Burns  
The Ring Of Fire  
The Ring Of Fire

I Fell Into A Burning Ring Of Fire  
I Went Down, Down, Down  
And The Flames Went Higher  
And It Burns, Burns, Burns  
The Ring Of Fire  
The Ring Of Fire

The Taste Of Love Is Sweet  
When Hearts Like Ours Meet  
I Fell For You Like A Child  
Oh, But The Fire Went Wild

I Fell Into A Burning Ring Of Fire  
I Went Down, Down, Down  
And The Flames Went Higher  
And It Burns, Burns, Burns  
The Ring Of Fire  
The Ring Of Fire

I Fell Into A Burning Ring Of Fire  
I Went Down, Down, Down  
And The Flames Went Higher  
And It Burns, Burns, Burns  
The Ring Of Fire  
The Ring Of Fire

And It Burns, Burns, Burns  
The Ring Of Fire  
The Ring Of Fire

## Top of the World

Such a feelin's comin' over me  
There is wonder in 'most ev'ry thing I see  
Not a cloud in the sky, got the sun in my eyes  
And I won't be surprised if it's a dream

Everything I want the world to be  
Is now comin' true especially for me  
And the reason is clear, it's because you are here  
You're the nearest thing to heaven that I've seen  
I'm on the top of the world lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been around  
Your love's put me at the top of the world

Somethin' in the wind has learned my name  
And it's tellin' me that things are not the same  
In the leaves on the trees and the touch of the breeze  
There's a pleasin' sense of happiness for me

There is only one wish on my mind  
When this day is through I hope that I will find  
That tomorrow will be just the same for you and me  
All I need will be mine if you are here

I'm on the top of the world lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been around  
Your love's put me at the top of the world

I'm on the top of the world lookin' down on creation  
And the only explanation I can find  
Is the love that I've found ever since you've been around  
Your love's put me at the top of the world

## You're the One That I Want

I got chills, they're multiplying,  
And I'm losing control  
'Cause the power you're supplying, it's electrifying  
You better shape up, 'cause I need a man,  
And my heart is set on you  
You better shape up, better understand,  
To my heart I must be true

You're the one that I want, ooh ooh ooh, honey  
The one that I want, ooh ooh ooh, honey  
The one that I want, ooh ooh ooh  
Can't you see, oh yes indeed.

If you're filled with affection,  
You're too shy to convey  
Meditate my direction, feel your way  
You better shape up, cause you need a man,  
Who can keep me satisfied  
You better shape up, you better prove,  
That my faith is justified  
But I'm sure down deep inside

You're the one that I want, ooh ooh ooh, honey  
The one that I want, ooh ooh ooh, honey  
The one that I want, ooh ooh ooh  
Can't you see, oh yes indeed.

## I Wanna Be Like You

Now I'm the king of the swingers, oh the jungle VIP  
I've reached the top and had to stop  
And that's what botherin' me  
I wanna be a man, mancub  
And stroll right into town  
And be just like the other men  
I'm tired of monkeyin' around!

Oh, oobee doo  
I wanna be like you  
I wanna walk like you, talk like you, too  
You'll see it's true someone like me  
Can learn to be like someone like you

Now don't try to kid me, mancub  
I'll make a deal with you  
What I desire is man's red fire  
To make my dream come true  
Now, give me the secret, mancub  
Come on, clue me what to do  
Give me the power of man's red flower  
So I can be like you

Oh, oobee doo  
I wanna be like you  
I wanna walk like you, talk like you, too  
You'll see it's true someone like me  
Can learn to be like someone like you  
Could learn to do like you humans do  
Can learn to be like someone like you  
Can learn to be like someone like me

# My Heart Will Go On

Every night in my dreams  
I see you, I feel you  
That is how I know you go on

Far across the distance  
And spaces between us  
You have come to show you go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on

Love can touch us one time  
And last for a lifetime  
And never let go till we're gone

Love was when I loved you  
One true time I hold to  
In my life we'll always go on

Near, far, wherever you are  
I believe that the heart does go on  
Once more you open the door  
And you're here in my heart  
And my heart will go on and on

You're here, there's nothing I fear  
And I know that my heart will go on  
We'll stay forever this way  
You are safe in my heart and  
My heart will go on and on

# Da Doo Ron Ron

I met him on a Monday and my heart stood still

Da do ron-ron-ron, da do ron-ron

Somebody told me that his name was Bill

Da do ron-ron-ron, da do ron-ron

Yeah, my heart stood still

Yes, his name was Bill

And when he walked me home

Da do ron-ron-ron, da do ron-ron

I knew what he was doing when he caught my eye

Da do ron-ron-ron, da do ron-ron

He looked so quiet but my oh my

Da do ron-ron-ron, da do ron-ron

Yeah, he caught my eye

Yes, oh my, oh my

And when he walked me home

Da do ron-ron-ron, da do ron-ron

## *Instrumental*

He picked me up at seven and he looked so fine

Da do ron-ron-ron, da do ron-ron

Someday soon I'm gonna make him mine

Da do ron-ron-ron, da do ron-ron

Yeah, he looked so fine,

Yes, I'll make him mine

And when he walked me home

Da do ron-ron-ron, da do ron-ron

Ooh, yeah-yeah-yeah

Da do ron-ron-ron, da do ron-ron

# River Deep – Mountain High

When I was a little girl, I had a rag doll  
Only doll I've ever owned  
Now I love you just the way I loved that rag doll  
But only now my love has grown

And it gets stronger in every way  
And it gets deeper, let me say  
And it gets higher day by day

Do I love you, my oh my?  
River deep, mountain high  
If I lost you would I cry  
Oh, how I love you, baby, baby, baby, baby

When you were a young boy  
Did you have a puppy?  
That always followed you around  
Well, I'm gonna be as faithful as that puppy  
No, I'll never let you down

'Cause it grows stronger like a river flows  
And it gets sweeter, baby and heaven knows  
And it gets sweeter, baby, as it grows

Do I love you, my oh my?  
River deep, mountain high  
If I lost you would I cry  
Oh, how I love you, baby, baby, baby, baby

*I love you baby like a flower loves the spring  
And I love you baby just like Robin loves to sing  
And I love you baby like a school boy loves his pet  
And I love you baby, river deep mountain high*

Do I love you, my oh my?  
River deep, mountain high  
If I lost you would I cry  
Oh, how I love you, baby, baby, baby, baby

## We Built This City

Say you don't know me, or recognize my face  
Say you don't care who goes to that kind of place  
Knee deep in the hoopla, sinking in your fight  
We got too many runaways eating up the night

Marconi plays the mamba, listen to the radio, don't you remember  
We built this city, we built this city on rock an' roll

We built this city, we built this city on rock an' roll  
We built this city, we built this city on rock an' roll

Someone's always playing corporation games  
Who cares they're always changing corporation names  
We just want to dance here, someone stole the stage  
They call us irresponsible, write us off the page

Marconi plays the mamba, listen to the radio, don't you remember  
We built this city, we built this city on rock an' roll  
We built this city, we built this city on rock an' roll

It's just another Sunday, in a tired old street  
Well if you got the toco, oh, then we just lost the beat

Who counts the money underneath the bar  
Who writes the wrecking ball in two wild guitars  
Don't tell us you need us, 'cause we're just simple fools  
Looking for America, coming through your schools

Marconi plays the mamba, listen to the radio, don't you remember...

Marconi plays the mamba, listen to the radio, don't you remember  
We built this city, we built this city on rock an' roll

We built this city, we built this city on rock an' roll  
Built this city, we built this city on rock an' roll

We built this city, we built this city on rock an' roll  
Built this city, we built this city on rock an' roll,

## Three Little Birds

Don't worry 'bout a thing,  
Cause every little thing gonna be all right.  
Singin' don't worry about a thing,  
Cause every little thing gonna be all right!

Rise up this mornin,  
Smiled with the risin sun,  
Three little birds  
Pitch by my doorstep  
Singin' sweet songs  
Of melodies pure and true,  
Sayin, this is my message to you-ou-ou:

Singin' don't worry 'bout a thing,  
Cause every little thing gonna be all right.  
Singin' don't worry 'bout a thing,  
Cause every little thing gonna be all right!

Rise up this mornin,  
Smiled with the risin sun,  
Three little birds  
Pitch by my doorstep  
Singin sweet songs  
Of melodies pure and true,  
Sayin, this is my message to you-ou-ou:

Singin' don't worry 'bout a thing  
Every little thing gonna be all right.  
Singin' don't worry about a thing  
Cause every little thing gonna be all right.

Singin' don't worry about a thing,  
Cause every little thing gonna be all right  
Singin' don't worry about a thing,  
Cause every little thing gonna be all right.  
Singin' don't worry about a thing, oh no!  
Cause every little thing gonna be all right!

## Lean On Me

Sometimes in our lives we all have pain  
We all have sorrow  
But if we are wise  
We know that there's always tomorrow

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

Please swallow your pride  
If I have things you need to borrow  
For no one can fill those of your needs  
That you won't let show

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

Lean on me, when you're not strong  
And I'll be your friend  
I'll help you carry on  
For it won't be long  
'Til I'm gonna need  
Somebody to lean on

You just call on me brother, when you need a hand  
We all need somebody to lean on  
I just might have a problem that you'll understand  
We all need somebody to lean on

If there is a load you have to bear  
That you can't carry  
I'm right up the road  
I'll share your load  
If you just call me

# Waterloo

My my, at Waterloo Napoleon did surrender  
Oh yeah, and I have met my destiny in quite a similar way

The history book on the shelf  
Is always repeating itself

Waterloo - I was defeated, you won the war  
Waterloo - promise to love you for ever more  
Waterloo - couldn't escape if I wanted to  
Waterloo - knowing my fate is to be with you  
Waterloo - finally facing my Waterloo

My my, I tried to hold you back but you were stronger  
Oh yeah, and now it seems my only chance is giving the fight up

And how could I ever refuse  
I feel like I win when I lose

Waterloo - I was defeated, you won the war  
Waterloo - promise to love you for ever more  
Waterloo - couldn't escape if I wanted to  
Waterloo - knowing my fate is to be with you  
Waterloo - finally facing my Waterloo

And how could I ever refuse  
I feel like I win when I lose

Waterloo - I was defeated, you won the war  
Waterloo - promise to love you for ever more  
Waterloo - couldn't escape if I wanted to  
Waterloo - knowing my fate is to be with you

## Forever in Blue Jeans

Money talks but it don't sing and dance  
And it don't walk  
As long as I can have you here with me  
I'd much rather be forever in blue jeans  
Honey's sweet but it ain't nothin' next to baby's treat  
And if you pardon me  
I'd like to say we'll do okay  
Forever in blue jeans

Maybe tonight  
Maybe tonight, you and I  
All alone by the fire  
Nothing around but the sound of my heart  
And your sighs

Money talks but it don't sing and dance  
And it don't walk  
As long as I can have you here with me  
I'd much rather be forever in blue jeans, babe

Money talks but it don't sing and dance  
And it don't walk  
And long as I can have you here with me  
I'd much rather be forever in blue jeans, babe

Maybe tonight  
Maybe tonight, you and I  
All alone by the fire  
Nothing around  
But the sound of my heart  
And your sighs

Money talks but it don't sing and dance  
And it don't walk  
As long as I can have you here with me  
I'd much rather be...

Money talks but it don't sing and dance  
And it don't walk  
As long as I can have you here with me  
I'd much rather be...

Money talks but it don't sing and dance  
And it don't walk  
As long as I can have you here with me  
I'd much rather be  
Forever in blue jeans.

# Lyin' Eyes

City girls just seem to find out early  
How to open doors with just a smile  
A rich old man and she won't have to worry  
She'll dress up all in lace and go in style

Late at night a big old house gets lonely  
I guess every form of refuge has its price  
And it breaks her heart to think her love is only  
Given to a man with hands as cold as ice

So she tells him she must go out for the evening  
To comfort an old friend who's feelin' down  
But he knows where she's goin' as she's leavin'  
She is headed for the cheatin' side of town

You can't hide your lyin' eyes  
And your smile is a thin disguise  
I thought by now you'd realize  
There ain't no way to hide your lyin' eyes

On the other side of town a boy is waiting  
With fiery eyes and dreams no one could steal  
She drives on through the night anticipating  
'Cause he makes her feel the way she used to feel

She rushes to his arms, they fall together  
She whispers that it's only for a while  
She swears that soon she'll be comin' back forever  
She pulls away and leaves him with a smile

You can't hide your lyin' eyes  
And your smile is a thin disguise  
I thought by now you'd realize  
There ain't no way to hide your lyin' eyes

She gets up and pours herself a strong one  
And stares out at the stars up in the sky  
Another night, it's gonna be a long one  
She draws the shade and hangs her head to cry

She wonders how it ever got this crazy  
She thinks about a boy she knew in school  
Did she get tired or did she just get lazy?  
She's so far gone she feels just like a fool

You can't hide your lyin' eyes  
And your smile is a thin disguise  
I thought by now you'd realize  
There ain't no way to hide your lyin' eyes  
There ain't no way to hide your lyin' eyes  
Honey, you can't hide your lyin' eyes

## Everywhere

Can you hear me calling  
Out your name  
You know that I'm falling and I don't know what to say

I'll speak a little louder  
I'll even shout  
You know that I'm proud and I can't get the words out

Oh I  
I want to be with you everywhere  
Oh I  
I want to be with you everywhere

Something's happening  
Happening to me  
My friends say I'm acting peculiarly

C'mon baby  
We better make a start  
You better make it soon before you break my heart

Oh I  
I want to be with you everywhere  
Oh I  
I want to be with you everywhere

Can you hear me calling  
Out your name  
You know that I'm falling and I don't know what to say

Oh come along baby  
We better make a start  
You better make it soon before you break my heart

Oh ah  
I want to be with you everywhere  
Oh ah  
I want to be with you everywhere  
Oh ah  
I want to be with you everywhere  
Oh ah  
I want to be with you everywhere

# The House of the Rising Sun

There is a house in New Orleans  
They call the rising sun  
And it's been the ruins of many a poor boy  
And god I know I'm one

My mother was a tailor  
She sewed my new blue jeans  
My father was a gamblin' man  
Way down in New Orleans

Now the only thing a gambler needs  
Is a suitcase and a trunk  
And the only time you keep him satisfied  
Is when he's all a drunk

Oh mother tell your children  
Not to do what I have done  
Spend your life in sin and misery  
In the house of the rising sun

I got one foot on the platform  
The other on a train  
And I'm goin' back to New Orleans  
To swing that ball and chain

Yeah, there is a house in New Orleans  
They call the rising sun  
And it's been the ruins of many a poor boy  
And God I know I'm one

## **JERUSALEM**

And did those feet in ancient time,  
Walk upon England's mountains green?

And was the holy lamb of god  
On England's pleasant pastures seen?

And did the countenance divine,  
Shine forth upon our clouded hills?

And was Jerusalem builded here  
Among these dark satanic mills?

Bring me my bow of burning gold!

Bring me my arrows of desire!

Bring me my spear, oh clouds unfold!

Bring me my chariot of fire!

I will not cease from mental fight,  
Nor shall my sword sleep in my hand

Til we have built Jerusalem  
In England's green and pleasant land

## Hit the Road, Jack

*(Ladies)* Hit the road Jack and don't you come back  
No more, no more, no more, no more.  
Hit the road Jack and don't you come back no more.

*(Gents) What you say?*

*(Ladies)* Hit the road Jack and don't you come back  
No more, no more, no more, no more.  
Hit the road Jack and don't you come back no more.

*(Gents)* Woah Woman, oh woman, don't treat me so mean  
You're the meanest old woman that I've ever seen  
I guess if you said so  
I'd have to pack my things and go  
*(Ladies)* That's right!

Hit the road Jack and don't you come back  
No more, no more, no more, no more.  
Hit the road Jack and don't you come back no more.

*(Gents) What you say?*

*(Ladies)* Hit the road Jack and don't you come back  
No more, no more, no more, no more.  
Hit the road Jack and don't you come back no more.

*(Gents)* Now baby, listen baby, don't ya treat me this-a way  
'Cause I'll be back on my feet some day  
*(Ladies)* Don't care if you do 'cause it's understood  
You ain't got no money, you just ain't no good  
*(Gents)* Well, I guess if you say so  
I'd have to pack my things and go  
*(Ladies)* That's right!

Hit the road Jack and don't you come back  
No more, no more, no more, no more.  
Hit the road Jack and don't you come back no more.

*(Gents) What you say?*

*(All)* Hit the road Jack and don't you come back  
No more, no more, no more, no more.  
Hit the road Jack and don't you come back no more.

Don't you come back no more...

## Leaving on a Jet Plane

All my bags are packed  
I'm ready to go  
I'm standin' here outside your door  
I hate to wake you up to say goodbye  
But the dawn is breakin'  
It's early morn  
The taxi's waitin'  
He's blowin' his horn  
Already I'm so lonesome I could die

So kiss me and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
'Cause I'm leavin' on a jet plane  
Don't know when I'll be back again  
Oh babe, I hate to go

There's so many times I've let you down  
So many times I've played around  
I tell you now, they don't mean a thing  
Ev'ry place I go, I'll think of you  
Ev'ry song I sing, I'll sing for you  
When I come back, I'll bring your wedding ring

So kiss me and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
'Cause I'm leavin' on a jet plane  
Don't know when I'll be back again  
Oh babe, I hate to go

Now the time has come to leave you  
One more time  
Let me kiss you  
Then close your eyes  
I'll be on my way  
Dream about the days to come  
When I won't have to leave alone  
About the times, I won't have to say

Oh, kiss me and smile for me  
Tell me that you'll wait for me  
Hold me like you'll never let me go  
'Cause I'm leavin' on a jet plane  
Don't know when I'll be back again  
Oh babe, I hate to -

Leavin' on a jet plane  
Don't know when I'll be back again  
Oh babe, I hate to go

# Don't Leave Me This Way

Ooh

Aah

Don't leave me this way  
I can't survive, I can't stay alive  
Without your love, no baby

Don't leave me this way  
I can't exist, I will surely miss your tender kiss  
So don't leave me this way

Ah, baby, my heart is full of love and desire for you  
So come on down and do what you've got to do  
You started this fire down in my soul  
Now can't you see it's burning out of control  
So come on down and satisfy the need in me  
'Cause only your good loving can set me free

Don't leave me this way  
I don't understand how I'm at your command  
So baby please, so don't you leave me this way

Ah, baby, my heart is full of love and desire for you  
So come on down and do what you've got to do  
You started this fire down in my soul  
Now can't you see it's burning out of control  
So come on down and satisfy the need in me  
'Cause only your good loving can set me free

(Come satisfy me, come satisfy me  
Come satisfy me, come satisfy me  
Come satisfy me, come satisfy me)

Don't leave me this way,  
Ooh, baby, I can't exist, I will surely miss your tender kiss  
So don't leave me this way

Ah baby, my heart is full of love and desire for you  
So come on down and do what you've got to do  
You started this fire down in my soul  
Now can't you see it's burning out of control  
So come on down and satisfy the need in me  
'Cause only your good loving can set me free

(Set me free, set me free, set me free, set me free, set me free  
Set me free, set me free,)

## **Crazy Little Thing Called Love**

This thing called love, I just can't handle it  
This thing called love, I must get round to it  
I ain't ready  
Crazy little thing called love

This thing, called love  
It cries  
In a cradle all night  
It swings It jives  
It shakes all over like a jelly fish  
I kinda like it  
Crazy little thing called love

There goes my baby  
She knows how to rock 'n' roll  
She drives me crazy  
She gives me hot and cold fever  
Then she leaves me in a cool, cool sweat

I gotta be cool, relax, get hip  
And get on my tracks  
Take a back seat, hitch-hike  
And take a long ride on my motorbike  
Until I'm ready  
Crazy little thing called love

### **Instrumental**

I gotta be cool, relax, get hip  
And get on my tracks  
Take a back seat, hitch-hike  
And take a long ride on my motorbike  
Until I'm ready  
Crazy little thing called love

This thing called love, I just can't handle it  
This thing called love, I must get round to it  
I ain't ready  
Crazy little thing called love  
Crazy little thing called love, yeah, yeah  
Crazy little thing called love, yeah, yeah  
Crazy little thing called love.

## I Just Called To Say I Love You

No New Year's Day to celebrate  
No chocolate covered candy hearts to give away  
No first of spring, no song to sing  
In fact here's just another ordinary day

No April rain  
No flowers bloom  
No wedding Saturday within the month of June  
But what it is, is something true  
Made up of these three words that I must say to you

I just called to say I love you  
I just called to say how much I care  
I just called to say I love you  
And I mean it from the bottom of my heart

No summer's high  
No warm July  
No harvest moon to light one tender August night  
No autumn breeze  
No falling leaves  
Not even time for birds to fly to southern skies

No Libra sun  
No Halloween  
No giving thanks to all the Christmas joy you bring  
But what it is, though old so new  
To fill your heart like no three words could ever do

I just called to say I love you  
I just called to say how much I care  
I just called to say I love you  
And I mean it from the bottom of my heart

I just called to say I love you  
I just called to say how much I care  
I just called to say I love you  
And I mean it from the bottom of my heart, of my heart,  
Of my heart

## Sailing

I am sailing, I am sailing  
Home again, 'cross the sea  
I am sailing, stormy waters  
To be near you,  
To be free

I am flying, I am flying  
Like a bird 'cross the sky  
I am flying, passing high clouds  
To be with you,  
To be free

Can you hear me, can you hear me?  
Through the dark night, far away  
I am dying, forever crying  
To be with you, who can say

Can you hear me, can you hear me?  
Through the dark night far away  
I am dying, forever crying  
To be with you, who can say

### Instrumental

We are sailing, we are sailing  
Home again, 'cross the sea  
We are sailing, stormy waters  
To be near you,  
To be free

We are sailing, we are sailing  
Home again, 'cross the sea  
We are sailing, stormy waters  
To be near you,  
To be free

Oh Lord, to be near you, to be free  
Oh Lord, to be near you, to be free

## Morningtown Ride

Train whistle blowin'  
Makes a sleepy noise  
Underneath the blankets  
For all the girls and boys

Rockin' rollin' ridin'  
Out along the bay  
All bound for Morningtown  
Many miles away

Driver at the engine  
Fireman rings the bell  
Sandman swings the lantern  
To show that all is well

Rockin' rollin' ridin'  
Out along the bay  
All bound for Morningtown  
Many miles away

Maybe it is raining  
Where our train will ride  
All the little travellers  
Are warm and snug inside

Rocking, rolling, riding  
Out along the bay  
All bound for Morningtown  
Many miles away

Somewhere there is sunshine  
Somewhere there is day  
Somewhere there is Morningtown  
Many miles away

Rocking, rolling, riding  
Out along the bay  
All bound for Morningtown  
Many miles away

Rocking, rolling, riding  
Out along the bay  
All bound for Morningtown  
Many miles away

## Love Is All Around

I feel it in my fingers  
I feel it in my toes  
The love that's all around me  
And so the feeling grows  
It's written on the wind  
It's everywhere I go  
So if you really love me  
Come on and let it show

You know I love you, I always will  
My mind's made up by the way that I feel  
There's no beginning, there'll be no end  
'Cause on my love you can depend

I see your face before me  
As I lay on my bed  
I cannot get to thinking  
Of all the things you said

You gave your promise to me and I gave mine to you  
I need someone beside me in everything I do  
Oh, yes I do

You know I love you, I always will  
My mind's made up by the way that I feel  
There's no beginning, there'll be no end  
'Cause on my love you can depend.

# Tragedy

Here I lie  
In a lost and lonely part of town  
Held in time  
In a world of tears I slowly drown  
Going home  
I just can't make it all alone  
I really why should be holding you, holding you  
Loving you, loving you

Tragedy  
When the feeling's gone and you can't go on  
It's tragedy  
When the morning cries and you don't know why  
It's hard to bear  
With no one to love you  
You're going nowhere

Tragedy  
When you lose control and you got no soul  
It's tragedy  
When the morning cries and you don't know why  
It's hard to bear  
With no one beside you  
You're going nowhere

Night and day  
There's a burning down inside of me, oh  
Burning love with a yearning that won't let me be  
Down I go  
And I just can't take it all alone  
I really should be holding you, holding you  
Loving you, loving you

Tragedy  
When the feeling's gone and you can't go on  
It's tragedy  
When the morning cries and you don't know why  
It's hard to bear  
With no one to love you  
You're going nowhere

Tragedy  
When you lose control and you got no soul  
It's tragedy  
When the morning cries and you don't know why  
It's hard to bear  
With no one beside you  
You're going nowhere

## **Tears In Heaven**

Would you know my name  
If I saw you in heaven?  
Would it be the same  
If I saw you in heaven?  
I must be strong and carry on  
'Cause I know I don't belong here in heaven

Would you hold my hand  
If I saw you in heaven?  
Would you help me stand  
If I saw you in heaven?  
I'll find my way through night and day  
'Cause I know I just can't stay here in heaven

Time can bring you down, time can bend your knees  
Time can break your heart, have you begging please, begging please

### **Instrumental**

Beyond the door there's peace I'm sure  
And I know there'll be no more tears in heaven

Would you know my name  
If I saw you in heaven?  
Would it be the same  
If I saw you in heaven?  
I must be strong and carry on  
'Cause I know I don't belong here in heaven

# Love On The Rocks

Love on the rocks  
Ain't no surprise  
Just pour me a drink and I'll tell you some lies  
Got nothin' to lose so you just sing the blues  
All the time

Gave you my heart  
Gave you my soul  
You left me alone here with nothing to hold  
Yesterday's gone  
Now all I want is a smile

First, they say they want you  
How they really need you  
Suddenly you find you're out there  
Walking in a storm  
When they know they have you  
Then they really have you  
Nothing you can do or say  
You've got to leave, just get away  
We all know the song

You need what you need  
You can say what you want  
Not much you can do when the feeling is gone  
May be blue skies above  
But it's cold when your love's on the rocks

First, they say they want you  
How they really need you  
Suddenly you find you're out there  
Walking in a storm  
When they know they have you  
Then they really have you  
Nothing you can do or say  
You've got to leave, just get away  
We all know the song

Love on the rocks  
Ain't no surprise  
Just pour me a drink and I'll tell you my lies  
Yesterday's gone  
And now all I want is a smile

# American Pie

A long, long time ago I can still remember  
How that music used to make me smile  
And I knew if I had my chance that I could make those people dance  
And maybe they'd be happy for a while

But February made me shiver with every paper I'd deliver  
Bad news on the doorstep I couldn't take one more step

I can't remember if I cried when I read about his widowed bride  
Something touched me deep inside  
The day the music died.

So bye, bye Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
And them good ole boys were drinking whiskey and rye  
Singin' this'll be the day that I die  
This'll be the day that I die

Did you write the book of love and do you have faith in God above  
If the Bible tells you so?  
Do you believe in rock and roll, can music save your mortal soul?  
And can you teach me how to dance real slow?

Well, I know that you're in love with him  
'Cause I saw you dancin' in the gym  
You both kicked off your shoes  
Man, I dig those rhythm and blues

I was a lonely teenage broncin' buck with a pink carnation and a pickup truck  
But I knew I was out of luck the day the music died  
I started singin'

Bye, bye Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
And them good ole boys were drinking whiskey and rye  
Singin' this'll be the day that I die, this'll be the day that I die

Now, for ten years we've been on our own  
And moss grows fat on a rolling stone  
But, that's not how it used to be

When the jester sang for the king and queen  
In a coat he borrowed from James Dean  
And a voice that came from you and me

Oh and while the king was looking down  
The jester stole his thorny crown  
The courtroom was adjourned  
No verdict was returned

And while Lennon read a book on Marx  
The quartet practiced in the park  
And we sang dirges in the dark the day the music died

We were singin' bye, bye Miss American Pie  
Drove my Chevy to the levee but the levee was dry  
Them good ole boys were drinking whiskey and rye  
And singin' this'll be the day that I die  
This'll be the day that I die

# Wonderwall

Today is gonna be the day  
That they're gonna throw it back to you  
By now you should've somehow  
Realized what you gotta do  
I don't believe that anybody  
Feels the way I do, about you now

Backbeat, the word was on the street  
That the fire in your heart is out  
I'm sure you've heard it all before  
But you never really had a doubt  
I don't believe that anybody  
Feels the way I do about you now

And all the roads we have to walk are winding  
And all the lights that lead us there are blinding  
There are many things that I  
Would like to say to you but I don't know how

Because maybe, you're gonna be the one that saves me  
And after all, you're my wonderwall

Today was gonna be the day  
But they'll never throw it back to you  
By now you should've somehow  
Realized what you're not to do  
I don't believe that anybody  
Feels the way I do, about you now

And all the roads that lead you there are winding  
And all the lights that light the way are blinding  
There are many things that I  
Would like to say to you but I don't know how

I said maybe, you're gonna be the one that saves me  
And after all, you're my wonderwall

I said maybe, you're gonna be the one that saves me  
And after all, you're my wonderwall

I said maybe, you're gonna be the one that saves me

## You Raise Me Up

When I am down and, oh my soul, so weary  
When troubles come and my heart burdened be  
Then, I am still and wait here in the silence  
Until You come and sit awhile with me.

You raise me up, so I can stand on mountains  
You raise me up, to walk on stormy seas  
I am strong, when I am on your shoulders  
You raise me up to more than I can be

### **Instrumental**

You raise me up, so I can stand on mountains  
You raise me up, to walk on stormy seas  
I am strong, when I am on your shoulders  
You raise me up to more than I can be.

You raise me up, so I can stand on mountains  
You raise me up, to walk on stormy seas  
I am strong, when I am on your shoulders  
You raise me up to more than I can be.

You raise me up, so I can stand on mountains  
You raise me up, to walk on stormy seas  
I am strong, when I am on your shoulders  
You raise me up to more than I can be.  
You raise me up to more than I can be.

# Piano Man

It's nine o'clock on a Saturday, the regular crowd shuffles in  
There's an old man sitting next to me, makin' love to his tonic and gin

He says, "Son, can you play me a memory?"

I'm not really sure how it goes

But it's sad and it's sweet, and I knew it complete

When I wore a younger man's clothes"

La, la, la, de, de, da, La, la, de, de, da, da, da

Sing us a song, you're the piano man

Sing us a song tonight

We're all in the mood for a melody

And you've got us feelin' alright

Now John at the bar is a friend of mine

He gets me my drinks for free

And he's quick with a joke or to light up your smoke

But there's someplace that he'd rather be

He says, "Bill, I believe this is killing me" as a smile ran away from his face

"Well, I'm sure that I could be a movie star

If I could get out of this place"

Oh, la, la, la, de, de, da la, la, de, de, da, da, da

Now Paul is a real estate novelist who never had time for a wife

And he's talkin' with Davy, who's still in the Navy and probably will be for life

And the waitress is practicing politics as the businessmen slowly get stoned

Yes, they're sharing a drink they call loneliness but it's better than drinkin' alone

## Instrumental

Sing us a song, you're the piano man, sing us a song tonight

Well, we're all in the mood for a melody and you've got us feelin' alright

It's a pretty good crowd for a Saturday and the manager gives me a smile

'Cause he knows that it's me they've been comin' to see

To forget about life for a while

And the piano, it sounds like a carnival and the microphone smells like a beer

And they sit at the bar and put bread in my jar and say, "Man, what are you doin' here?"

Oh, la, la, la, de, de, da la, la, de, de, da, da, da

Sing us a song, you're the piano man, sing us a song tonight

Well, we're all in the mood for a melody and you've got us feelin' alright

# King of the Road

Trailers for sale or rent,  
Rooms to let, fifty cents  
No phone, no pool, no pets,  
I ain't got no cigarettes, ah but,  
Two hours of pushin' broom buys an  
Eight by twelve four-bit room, I'm a  
Man of means by no means, king of the road

Third boxcar, midnight train,  
Destination Bangor, Maine  
Old worn-out suits and shoes  
I don't pay no union dues, I smoke  
Old stogies I have found  
Short, but not too big around, I'm a  
Man of means by no means, king of the road

I know every engineer on every train  
All their children, and all of their names  
And every hand out in every town  
And every lock that ain't locked when no one's around, I sing

Trailers for sale or rent,  
Rooms to let, fifty cents  
No phone, no pool, no pets,  
I ain't got no cigarettes, ah but,  
Two hours of pushin' broom buys an

# Crocodile Rock

I remember when rock was young  
Me and Suzie had so much fun  
Holding hands and skimming stones  
Had an old gold Chevy and a place of my own  
But the biggest kick I ever got  
Was doing a thing called the Crocodile Rock  
While the other kids were Rocking Round the Clock  
We were hopping and bopping to the Crocodile Rock

Well Crocodile Rocking is something shocking  
When your feet just can't keep still  
I never knew me a better time and I guess I never will  
Oh Lawdy mama those Friday nights  
When Suzie wore her dresses tight  
And the Crocodile Rocking was out of sight

La lalalala la lalalala la lalalala la

But the years went by and the rock just died  
Suzie went and left us for some foreign guy  
Long nights crying by the record machine  
Dreaming of my Chevy and my old blue jeans  
But they'll never kill the thrills we've got  
Burning up to the Crocodile Rock  
Learning fast as the weeks went past  
We really thought the Crocodile Rock would last

Well Crocodile Rocking is something shocking  
When your feet just can't keep still  
I never knew me a better time and I guess I never will  
Oh Lawdy mama those Friday nights  
When Suzie wore her dresses tight  
And the Crocodile Rocking was out of sight
